CONTINUED FILING (NRO SECTION 23.16-23.19)

This report only needs to be filed if a candidate "has any outstanding debt, obligation, or surplus following the second campaign receipt and expenditure report for a municipal election." **Continued filings are required "until the obligation or indebtedness is entirely satisfied or surplus deleted, at which time a final report shall be filed."** There is no need to file this report if a final (zeroed-out) campaign report was previously submitted or if the campaign receipts/expenditures were pertinent to a state election (e.g., State Representative).

However, do report any funds transferred into your municipal election campaign fund from an existing balance in your state election campaign account, or any funds transferred out of your local election account to fund a state election campaign.
