ADJOURNMENT

NASHUA  
CULTURAL  
CONNECTIONS  
COMMITTEE

August 30, 2016

Mayor Jim Donchess  
Office of Mayor, City Hall  
P.O. Box 2019  
Nashua NH 03061

Dear Mayor Donchess,

It is with great enthusiasm to write this letter of endorsement on behalf of the Cultural Connections Committee to support and encourage the City of Nashua to become a Welcoming City in the State of New Hampshire.

The City of Nashua and the Mayor's Office has already demonstrated a commitment to diversity by instituting and supporting the Cultural Connections Committee and its mission to encourage understanding and appreciation of ethnic diversity in the City of Nashua and to facilitate communication between the ethnic community and city government. Becoming a Welcoming City through Welcoming America will further this mission by providing educational opportunities and new tools to engage all relevant sectors of the city to collaboratively commit to the creation of a welcoming climate and sustaining a long term plan for integration. At this time, when Nashua has been named as one of the top 100 most diverse cities in the nation (Wallethub, 2016), the move to become a Welcoming City is both timely and necessary in order to maintain a communal and municipal climate that builds a healthy and prosperous City grown out of this diversity.

The members of the Cultural Connections Committee applaud and support, without reservation, the immediate signing and return of the commitment form to Welcome America, declaring Nashua a Welcoming City in the State of New Hampshire.

Signed on behalf of the esteemed members of the Cultural Connections Committee,

Jean M. Adie, Co-Chair  
Cultural Connections Committee

To: Jim Donchess, Mayor, City of Nashua

To: Board of Aldermen, City of Nashua

Dear Mayor and Aldermen:

United Way of Greater Nashua would like to express our wholehearted support for the legislation declaring Nashua a Welcoming City. As an organization, we strive to improve the health, education, and economic well-being of the people living in the communities we serve and we recognize that when a community is welcoming and inclusive, then its residents' lives will improve.

This is more than feel-good legislation. Research has shown that 40% of the health outcomes for an individual are based on factors related to social inclusion. When people are not isolated, they are less likely to need emergency or other costly medical services. As a result both the individual and the community benefit absent the burden for those costly services.

Other research centers around economic development, demonstrating that immigrants bring needed skills and job creation to our community. In fact, the foundation of what Nashua is today was built by immigrants and in order to sustain growth into the future we will continue to need to welcome and effectively include immigrants in our community.

Since 1930 United Way has represented a collective effort to improve our community through partnerships and coalitions. Therefore, we embrace this legislation as an additional and important step and encourage you to pass it with your fullest possible support.

Respectfully submitted and unanimously agreed to by the Board of Directors, United Way of Greater Nashua.

  
Susan McHugh, Board Chairperson

  
Michael Apfelberg, President

**Nashua Conversation on Race and Justice (NCCRJ)
