 - a. The Deputy City Clerk informed the Board they were currently working on getting Deputy Voter Registrars for the Special Municipal Election on June 23rd and were having difficulties. Currently there were three wards that had no registrars as some of the regular workers were going to be out of state. K. Fogal

inquired to which wards. The Deputy City Clerk stated Wards 2, 5 and 7. K. Fogal volunteered to work Ward 7 all day. Training will be held for new registrars or those wanting a refresher on Monday, June 22nd at 9:00 a.m.

- b. P. Lucier mentioned pending legislation regarding 30-day registration. K. Fogal asked for clarification. The Deputy City Clerk stated SB179 had passed the Senate and House and would require anyone registering to vote in New Hampshire had to be domiciled for at least 30 days prior to voting in an election. At this time it would be presented to the Governor for her signature. Discussion ensued and it was determined to watch the status of this bill.
 - c. The Deputy City Clerk informed the Board that at the September 8th Mayoral Primary Election, election officials will have to take pictures of voters who do not show a valid photo id in order to obtain a ballot and vote. Nashua will be the first in the State to implement this law and at this time the purchase of the equipment necessary was still up in the air. K. Fogal asked if voters needed an id to register to vote. The Deputy City Clerk replied they did not, as this only affected those voters wishing to obtain a ballot without a photo id and explained the process.
