Re: Nashua Public Library’s Contract Award for a Service Agreement with Palmer and Sicard

Pursuant to NRO § 5-74 (B), which states that a contract that extends from the current fiscal year into succeeding fiscal year(s) in which no funds have been appropriated nor otherwise designated for this purpose shall be approved by the full Board of Aldermen before the contract shall become binding on the City.

This contract is under the $25,000 threshold so it was not sent to the Finance Committee for approval. A copies of the Memo to the Board of Aldermen from Jennifer McCormack, HVAC Preventative Maintenance Proposal and the City of Nashua’s Contract for Independent Contractor that will be used are included and details the specifics of the contract. I am requesting approval of the full Board of Aldermen for the award of the following contract:

Nashua Public Library’s Contract Award for a Service Agreement with Palmer and Sicard. This is a three (3) year contract.
January 9, 2020

To: Board of Aldermen  
From: Jennifer McCormack, Director  
RE: Service agreement with Palmer and Sicard

The library would like to enter into a new service agreement with Palmer and Sicard spanning the years 2020-2022 in the amount of $2,456.00. This service agreement includes regular seasonal maintenance visits and a competitive rate for any repairs outside of those routine visits. Palmer and Sicard installed our new boiler plant several years ago and has been providing our preventive maintenance and repairs since 2016, having a multi-year agreement with Palmer and Sicard insures that the system is regularly maintained and that we have immediate access to their technicians for urgent repairs.

This maintenance agreement and other repairs are budgeted for in the library’s regular appropriations.

Sincerely,

Jennifer McCormack

3. Standard of Care

Independent Contractor shall be responsible for the professional quality, technical accuracy, timely completion, and coordination of all work performed under this contract. Independent Contractor warrants that all work shall be performed with the degree of professional skill, care, diligence, and sound practices and judgment that are normally exercised by recognized professional firms with respect to services of a similar nature. It shall be the duty of Independent Contractor to assure at its own expense that all work is technically sound and in conformance with all applicable federal, state, and local laws, statutes, regulations, ordinances, orders, or other requirements. In addition to all other rights which the City of Nashua may have, Independent Contractor shall, at its own expense and without additional compensation, re-perform work to correct or revise any deficiencies, omissions, or errors in the work or the product of the work or which result from Independent Contractor's failure to perform in accordance with this standard of care.

Any approval by the City of Nashua of any products or services furnished or used by Independent Contractor shall not in any way relieve Independent Contractor of the responsibility for professional and technical accuracy and adequacy of its work. City of Nashua review, approval, or acceptance of, or payment for any of Independent Contractor's work under this contract shall not operate as a waiver of any of the City of Nashua's rights or causes of action under this contract, and Independent Contractor shall be and remain liable in accordance with the terms of the contract and applicable law.

Independent Contractor shall, if requested to do so by the City of Nashua, remove from the job any personnel whom the City of Nashua determines to be incompetent, dishonest, or uncooperative.

4. **CITY OF NASHUA REPRESENTATIVE** The City of Nashua may designate a City of Nashua representative for this contract. If designated, all notices, project materials, requests by Independent Contractor, and any other communication about the contract shall be addressed or be delivered to the City of Nashua Representative.

Independent Contractor shall provide to the City of Nashua within 10 calendar days, a written proposal for accomplishing the change. The proposal for a change shall provide enough detail, including personnel hours for each sub-task and cost breakdowns of tasks, for the City of Nashua to be able to adequately analyze the proposal. The City of Nashua will then determine in writing if Independent Contractor should proceed with any or all of the proposed change. If the change causes an increase or a decrease in Independent Contractor's cost or time required for performance of the contract as a whole, an equitable adjustment shall be made and the contract accordingly modified in writing. Any claim of Independent Contractor for adjustment under this clause shall be asserted in writing within 30 days of the date the City of Nashua notified Independent Contractor of the change.

When Independent Contractor seeks changes, Independent Contractor shall, before any work commences, estimate their effect on the cost of the contract and on its schedule and notify the City of Nashua in writing of the estimate. The proposal for a change shall provide enough detail, including personnel hours for each sub-task and cost breakdowns of tasks, for the City of Nashua to be able to adequately analyze the proposal. The City of Nashua will then determine in writing if Independent Contractor should proceed with any or all of the proposed change.

Except as provided in this paragraph, Independent Contractor shall implement no change unless the City of Nashua in writing approves the change. Unless otherwise agreed to in writing, the provisions of this contract shall apply to all changes. The City of Nashua may provide verbal approval of a change when the City of Nashua, in its sole discretion, determines that time is critical or public health and safety are of concern. Any verbal approval shall be confirmed in writing as soon as practicable. Any change undertaken without prior City of Nashua approval shall not be compensated and is, at the City of Nashua's election, sufficient reason for contract termination.

6. **CITY OF NASHUA COOPERATION** The City of Nashua agrees that its personnel will cooperate with Independent Contractor in the performance of its work under this contract and that such personnel will be available to Independent Contractor for consultation at reasonable times and after being given sufficient advance notice that will prevent conflict with their other responsibilities. All future questions Independent Contractor may have concerning interpretation or clarification of this contract shall be submitted in writing to the City of Nashua within 10 calendar days of their arising. The writing shall state clearly and in full detail the basis for Independent Contractor's question or position. The City of Nashua representative shall render a decision within 15 calendar days. The City of Nashua's decision on the matter is final. Any work affected by a conflict, error, omission, or discrepancy which has been performed by Independent Contractor prior to having received the City of Nashua's resolution shall be at Independent Contractor's risk and expense. At all times, Independent Contractor shall carry on the work under this contract and maintain and complete work in accordance with the requirements of the contract or determination of the City of Nashua. Independent Contractor is responsible for requesting clarification or interpretation and is solely liable for any cost or expense arising from its failure to do so.

8. **Termination of Contract**

**A. Termination, Abandonment, or Suspension At Will.** The City of Nashua, in its sole discretion, shall have the right to terminate, abandon, or suspend all or part of the project and contract at will. If the City of Nashua chooses to terminate, abandon, or suspend all or part of the project, it shall provide Independent Contractor 10 days' written notice of its intent to do so.

If all or part of the project is suspended for more than 90 days, the suspension shall be treated as a termination at will of all or part of the project and contract.

Upon receipt of notice of termination, abandonment, or suspension at will, Independent Contractor shall:

1. Immediately discontinue work on the date and to the extent specified in the notice.
2. Place no further orders or subcontracts for materials, services, or facilities, other than as may be necessary or required for completion of such portion of work under the contract that is not terminated.

4. Not resume work after the effective date of a notice of suspension until receipt of a written notice from the City of Nashua to resume performance.

GC 4 of 11
In the event of a termination, abandonment, or suspension at will, Independent Contractor shall receive all amounts due and not previously paid to Independent Contractor for work satisfactorily completed in accordance with the contract prior to the date of the notice and compensation for work thereafter completed as specified in the notice. No amount shall be allowed or paid for anticipated profit on unperformed services or other unperformed work.

**B. TERMINATION FOR CAUSE** This agreement may be terminated by the City of Nashua on 10 calendar day’s written notice to Independent Contractor in the event of a failure by Independent Contractor to adhere to any or all the terms and conditions of the contract or for failure to satisfactorily, in the sole opinion of the City of Nashua, to complete or make sufficient progress on the work in a timely and professional manner. Independent Contractor shall be given an opportunity for consultation with the City of Nashua prior to the effective date of the termination. Independent Contractor may terminate the contract on 10 calendar days written notice if, through no fault of Independent Contractor, the City of Nashua fails to pay Independent Contractor for 45 days after the date of approval by the City of Nashua of any Application for Payment.

Upon receipt of notice of termination for cause, Independent Contractor shall:

1. Immediately discontinue work on the date and to the extent specified in the notice.
2. Provide the City of Nashua with a list of all unperformed services.
3. Place no further orders or sub-contracts for materials, services, or facilities, other than as may be necessary or required for completion of such portion of work under the contract that is not terminated.
4. Immediately make every reasonable effort to obtain cancellation upon terms satisfactory to the City of Nashua of all orders or sub-contracts to the extent they relate to the performance of work terminated, abandoned, or suspended under the notice, assign to the City of Nashua any orders or sub-contracts specified in the notice, and revoke agreements specified in the notice.
5. Not resume work after the effective date of a notice of termination unless and until receipt of a written notice from the City of Nashua to resume performance.

In the event of a termination for cause, Independent Contractor shall receive all amounts due and not previously paid to Independent Contractor for work satisfactorily completed in accordance with the contract prior to the date of the notice, less all previous payments. No amount shall be allowed or paid for anticipated profit on unperformed services or other unperformed work. Any such payment may be adjusted to the extent of any additional costs occasioned to the City of Nashua by reasons of Independent Contractor's failure. Independent Contractor shall not be relieved of liability to the City of Nashua for damages sustained from the failure, and the City of Nashua may withhold any payment to the Independent Contractor until such time as the exact amount of damages due to the City of Nashua is determined. All claims for payment by the Independent Contractor must be submitted to the City of Nashua within 30 days of the effective date of the notice of termination.

If after termination for the failure of Independent Contractor to adhere to any of the terms and conditions of the contract or for failure to satisfactorily, in the sole opinion of the City of Nashua, to complete or make sufficient progress on the work in a timely and professional manner, it is determined that Independent Contractor had not so failed, the termination shall be deemed to have been a termination at will. In that event, the City of Nashua shall,
if necessary, make an adjustment in the compensation paid to Independent Contractor such that Independent Contractor receives total compensation in the same amount as it would have received in the event of a termination-at-will.

C. GENERAL PROVISIONS FOR TERMINATION Upon termination of the contract, the City of Nashua may take over the work and prosecute it to completion by agreement with another party or otherwise. In the event Independent Contractor shall cease conducting business, the City of Nashua shall have the right to solicit applications for employment from any employee of the Independent Contractor assigned to the performance of the contract.

Neither party shall be considered in default of the performance of its obligations hereunder to the extent that performance of such obligations is prevented or delayed by any cause, existing or future, which is beyond the reasonable control of such party. The parties shall then attempt to resolve the dispute through good faith efforts and negotiation between the City of Nashua Representative and a Independent Contractor Representative. At all times, Independent Contractor shall carry on the work under this contract and maintain and complete work in accordance with the requirements of the contract or determination or direction of the City of Nashua. If the parties are unable to resolve their dispute as described above within 30 days, the parties may request that the dispute be submitted to the City of Nashua for resolution. If the parties are dissatisfied with the decision of the City of Nashua, the parties’ reserve the right to pursue any available legal and/or equitable remedies for any breaches of this contract except as that right may be limited by the terms of this contract.

10. Any Grant funds that were received by Grantee and not spent on approved Grant activities shall be returned to CDFA.

Furthermore, no disbursement shall be made unless the Grantee is in compliance with Paragraphs 3, 4 and 5.
7.3 **Compliance Requirement**: Notwithstanding the conditions set forth in previous sections, CDFA shall not make any disbursement of grant funds unless, at the time of such disbursement, Grantee is in full compliance with all terms and conditions of this agreement, and the making of such disbursement of Grant funds (i) will not violate any provision of law, regulation, or administrative ruling to which CDFA is subject; (ii) will not subject CDFA to any tax, penalty, or fine; and (iii) will further the purposes of CDFA. Failure to meet the terms of this Contract may result in suspension and/or reallocation of tax credits for the Project.
