Palm Street Discontinuance
Nashua, NH (J-11,134)

Dear Aldermen:

Enclosed herewith is a packet of materials with regard to some proposed new parking, a new public access way to Ash Street from Palm Street dead end and two multifamily buildings, which also includes a small discontinuance of the southerly dead end of Palm Street. The small discontinuance would permit several developments that would significantly benefit this immediate neighborhood and the City overall.

The benefits to the discontinuance of the end of Palm Street include:

1 – Elimination of the Palm Street dead end. Currently public works vehicles (plows, trash trucks, fire engines, etc.) and the general public have no place to legally turn around to exit Palm Street back onto Lovewell Street. As indicated on the Plans, a two-way access to/from the end of Palm Street to Ash Street would be possible. This would provide a significant public safety enhancement and a second access for emergency vehicles should a portion of Palm Street be blocked.

2 – With the discontinuance, it would now allow two new multifamily buildings and 18 new residential units to be developed for downtown Nashua.

3 – The lack of parking in the Tree Streets area is a significant concern. In addition to parking for the proposed new units, some parking can be provided for other buildings and units on Palm Street. Currently parking on this section of Palm Street is haphazard and irregular.

4 – This section of Palm Street backs up to a large parking lot associated with numerous businesses occupying the old mill building on Lake Street. The new proposed apartment buildings would tend to enhance property values at this section of Palm Street.
In conclusion, we suggest that this proposed small street discontinuance would be a significant benefit to not only the Proponent/property owner but to all concerned parties such as the City, Palm Street neighborhood, etc.

The Boards favorable consideration of this proposed discontinuance would be greatly appreciated.

Very Truly Yours,

Maynard & Paquette

RESOLUTION

SECOND AMENDMENT TO R-18-001 “AUTHORIZING THE MAYOR AND CITY TREASURER TO ISSUE BONDS NOT TO EXCEED THE AMOUNT OF FIFTEEN MILLION FIVE HUNDRED THOUSAND DOLLARS ($15,500,000) FOR THE PERFORMING ARTS CENTER LOCATED AT 201 MAIN STREET”

CITY OF NASHUA

In the Year Two Thousand and Twenty

WHEREAS, the Board of Aldermen passed R-18-001 “Authorizing the Mayor and City Treasurer to issue bonds not to exceed the amount of fifteen million five hundred thousand dollars ($15,500,000) for the Performing Arts Center located at 201 Main Street” on February 13, 2018.

WHEREAS, the Board of Aldermen passed R-18-092 on December 11, 2018, which amendment allowed borrowing for the design of the project prior to the raising of $4,000,000 in private funds, including New Market Tax Credits, for the new performing arts center.

WHEREAS, the Board of Aldermen would like to further amend resolution R-18-001.

NOW THEREFORE, BE IT RESOLVED by the Board of Aldermen of the City of Nashua that the following paragraph of R-18-001, as amended by R-18-092, be further amended by deleting the struck through language as follows:

No borrowing for the renovation or construction of a new performing arts center, except for costs related to acquiring and securing (for safety and security purposes) the property anticipated to be used as a new performing arts center and for the design of the new performing arts center, shall occur until such time as the Mayor has determined that private funds, including New Market Tax Credits, totaling at least four million dollars ($4,000,000), to be used towards such new performing arts center, have been raised. This resolution shall expire two years from its effective date in the event that four million dollars ($4,000,000) has not been raised prior to that date. This resolution shall expire on August 31, 2021 in the event the $4,000,000 is not raised prior to that date.
RESOLUTION

AUTHORIZING THE WAIVER OF CITY BUILDING PERMIT AND INSPECTION FEES FOR THE RENOVATIONS TO THE NASHUA POLICE ATHLETIC LEAGUE BUILDING AT 52 ASH STREET

CITY OF NASHUA

In the Year Two Thousand and Twenty

WHEREAS renovations to the Nashua Police Athletic League’s building at 52 Ash Street has been selected as the 2020 “Building on Hope” project. Building on Hope is a New Hampshire community organization of volunteers who work with builders, architects and designers to provide physical improvements to facilities associated with non-profit service groups.

NOW THEREFORE, BE IT RESOLVED by the Board of Aldermen of the City of Nashua that the City shall waive all City building permit and inspection fees for the renovations to the Nashua Police Athletic League building at 52 Ash Street as part of the 2020 Building on Hope project.
LEGISLATIVE YEAR 2020

RESOLUTION: R-20-015

PURPOSE: Authorizing the waiver of City building permit and inspection fees for the renovations to the Nashua Police Athletic League building at 52 Ash Street

ENDORSERS: Mayor Jim Donchess
Alderman Thomas Lopez

COMMITTEE ASSIGNMENT: Budget Review Committee

FISCAL NOTE: An estimate of the building permit and inspection fees for this project is between $1,400 and $1,800.

ANALYSIS

This resolution would authorize the City to waive all City building permit and inspection fees related to the renovations of the Nashua Police Athletic League building at 52 Ash Street as part of the 2020 Building on Hope project.

Building construction permit fees are established by ordinance, see NRO sections 105-21 and 105-22. The ordinances do not contain any general provision for a waiver of building construction permit fees. NRO 105-21, B does contain a waiver provision, but it is not applicable to this situation, as it provides for a discretionary waiver of fees to the extent of the value of municipal public improvements or land dedication.
