**ANALYSIS**

This resolution would authorize the City to waive all City building permit and inspection fees related to the renovations of the Nashua Police Athletic League building at 52 Ash Street as part of the 2020 Building on Hope project.

Building construction permit fees are established by ordinance, see NRO sections 105-21 and 105-22. The ordinances do not contain any general provision for a waiver of building construction permit fees. NRO 105-21, B does contain a waiver provision, but it is not applicable to this situation, as it provides for a discretionary waiver of fees to the extent of the value of municipal public improvements or land dedication.
