Committee announcements:

ADJOURNMENT
Dear Board of Aldermen,

My name is Joseph R. Olefirowicz. Perhaps the name is recognizable from recent comments on Facebook regarding the PAC project, which have been further distributed in a recent Union Leader article addressing concerns about the PAC and its concept.

I am a Nashua resident since 2008, and since this relocation from Europe to Nashua: am the Minister of Music of The First Church (UCC) of Nashua, Artistic Director of the First Music Concert Series also in Nashua, and a freelance conductor and concert artist here and abroad, working in the genres of Musical Theatre, Opera, Ballet, Symphonic, Classical, Pops, Choral and Jazz music. As well, I am a trained theatrical lighting designer from four years of study at Ithaca College in New York State (prior to Varilites and CAD becoming the norm), learning this concurrently with my degree in Direction for the Musical Stage. – Essentially, a theatre kid at heart. With now a career at the console and on the podium.

It is wonderful that Nashua wishes to enhance the Arts in the city and help boost support of Downtown with a Performing Arts Center. However, as this project has now developed, and unfortunately has been honed down from its original vision: what you have now on the docket, for a heckuva lot of money, is NOT a PAC. It is a very expensive event center with theatrical elements. However, it is no-where near capable of accommodating most of the traditional “performing arts” in a larger scale already in the City: community organizations such as the ActorSingers or professional organizations like Symphony New Hampshire, which is one of the major professional Arts organizations crucial to Nashua’s (and New Hampshire’s) identity.

Yes, studies are quoted. Studies say we need a venue of Size X. There is a management company already eager to book the new venue with performing acts ready to use the space. But where is the vision here? Studies say one thing, but the Arts was never built on studies. Does one believe Picasso took a poll to see if someone would like his work? No. He painted. – Does an opera company not try to start up in a struggling market? No. Artists energize people, get them behind something grand and not-before-known as a need, have a vision and plant the seed. If we only build what we know, there can never be true growth. Dream. Build. And they will come. For this amount of money: dream BIG!
The seed was planted here. Marvelously. — But then it sequestered itself in its planning from even the most basic of contact to the Arts organizations in this community, of which First Music is one (for instance) but wouldn’t necessarily have “use” for even a 700-seat venue, and relying on a natural (not sound enhanced) acoustic. As far as I could tell, public comment periods were not announced well at any point, and only recently has there been a deluge of opportunity for public comment, but unfortunately (for me personally), always in a rehearsal period here or time away abroad conducting.

I have had the fortune to work in, and also open- four to five newly-built and repurposed arts venue properties in Germany, from a range of 600-1800 seats. One even having a significant hotel and mall attached. - I have seen the process of a new design and worked first-hand on the load-ins of several original companies of Broadway shows in Germany, including a complete new-build of a theatre on Potsdamer Platz in Berlin by architect Renzo Piano. Watching the Nashua design and planning process proceed from a distance, I was greatly supportive, UNTIL the Alec’s property location became the only option and started morphing the project into something that is far from a true Performing Arts Center.

If the intention of the new build is to ONLY accommodate modern genres of performer: rock, pop, some jazz, comedians, other small acts: by all means! But please don’t call this a PAC. In only seeing the limited ground plans available to the public online, it is clear the lack of:

- An orchestra pit
- Wing space in any direction (usually two areas to accommodate full sets moving on or offstage)
- Proper “fly” space to make complete curtains, drops and sets disappear into the air
  - Dressing room space for chorus, ballet, or other larger ensembles
- A planned natural acoustic without sound enhancement (or flex planning if both are wished)
- Stage space to accommodate either existing organizations in their usual stage capacity

will NOT serve the community and professional organizations well in the long term! One is beginning to reach the finish line towards the Marathon of building Court Street: the sequel. A known space limited in its use, and completely unacceptable currently in its poor upkeep. (Bless all the organizations that use it successfully! We need them and they need a home!)

In limited speaking with either Arts Commission or PAC Steering members, criticism is clearly not wished and everyone simply quotes the “studies” — Well, if that is the “vision” — God help the taxpayer and the residents of this city who have looming fiscal issues coming up in the next years, without a current design that is NOT fully useful in its marketed intention, and seemingly being pushed through just for the sake of saving face.

When all this planning started, Elm St. Middle School was not yet to be closed. Placing the PAC at Keefe Auditorium was not an option, but it really is possible now. If one does not consider this: where do organizations like ActorSingers or Symphony NH have their future home base in Nashua? They can’t, if Keefe disappears. And although the purpose of the PAC is to expand
smaller professional offerings to the city, at what cost to existing successful arts machines in the city who cannot use such a venue fully at such an enormous cost?

Imagine such a vision: a stunning new architectural glass enclosure flanking the current front and entire left side (enclosing the entire pillared entrance but allowing for a modern foyer, coat room and audience gathering space, new restrooms and a possible café?) – The opportunity to reconfigure the Keefe Auditorium to both modern seating standards (reducing capacity) and possible designing retractable walls to close the balcony, etc. for smaller arts events. (Or even acoustically alter the space for when lesser reverb is wished) – The chance to build a proper orchestra pit and expand wing and backstage space in an almost limitless fashion for a true Performing Arts Mecca for the city. To serve revitalization downtown and also keep the footprint of downtown from the Plaza to the top of Concord St? – Not simply down to City Hall and “we’re done.” – This is vision. This is something to get excited about.

The initial excitement for a new PAC downtown began to wane in arts circles here, in my opinion, when compromises were made to keep costs down. SPEND that extra $10 million and build it right, once! – Look at your high schools. Both with mediocre performance auditoriums, when clearly the newer school could have had a much more substantial performance space which could have fulfilled such a need. But that point is long moot.

In the same way an 18-month extension was given to initial fundraising to plant the seed money needed for this project, I personally implore the board to allow itself the extra time to have the city explore Keefe as an option, now that this is suddenly on the table, and not make a rash decision for a design at the ALEC site that will not serve the needs of all performing arts for the coming generations.

With the known fiscal crisis of city employee’s insurance, a new Middle School on the horizon and those immense costs, an unknown fate of the Tannery property possibly needing taxpayer assistance for clean-up, the public support of this “PAC” project is at a low in the community. Many cannot tell you exactly why. But here on an artistic level, from a local resident working ardently in many genres of the Performing Arts industry worldwide, perhaps, please... take a step back to evaluate, but not kill the project. Make sure the right decision is made to support the Arts properly for the long term. Something Nashua can be excited about. All of Nashua.

Without any offense to multiple people I know personally on a few of these Commissions: please, guys – do the right thing for the project, and not just make sure there IS a project.

Respectfully submitted,

To the Board of Aldermen,

It has come to my attention that tonight there will be a meeting of the budget committee on extending or lifting the deadline requirement for fundraising for the Performing Arts Center. I have enthusiastically supported the Performing Arts Center Project since the idea first became public, and was one of the citizen majority who voted to approve it. A performing arts center would not only be a cultural boon for the city, but would be a source of revenue for the city and for local businesses.

Whenever Great American Downtown sponsors a cultural event, there is an influx of visitors from surrounding communities, from paid events like “A Taste of Downtown” to free events like “New Muse.” It matters not if it is in winter, like the “Holiday Stroll,” or more temperate seasons, like the “Roots Festival.” For practical reasons, however, few events are held in colder seasons. The Performing Arts Center will be a venue to attract local and not so local patrons in all seasons.

While Nashua is a town with many advantages, one thing we lack is a regionally recognized performing arts center, which could attract both local performers and bigger names. My family personally travels to Boston, Lowell, Worcester, Hampton Beach, Concord (NH), Littleton (MA), even Portchester, New York to attend music concerts and cultural events. Even many smaller towns have public or private cultural centers like Tupelo’s in Derry and Bull Run in Shirley, MA and The Monadnock Center in Peterborough. These venues draw audience from local and distant areas, and shows are routinely sold out. I was recently at a concert at Tupelo’s and spoke to a woman from Beverly, MA, over an hour away when it’s not rush hour. Nashua is so strategically placed; a performing arts center will surely be as successful. I, for one, will appreciate not having to drive to The Capital Center for the Performing Arts. A Nashua Performing Arts Center will be a source of pride, as well as revenue, for our community.

It is my understanding that the architectural plans have been drawn up, and a significant portion of the necessary private funds for this project have been raised, including a recent $250,000 pledge from Bank of America. Perhaps the artificial threshold that was created after the public vote has not been reached, but it is within sight. Please do not let the Performing Arts Center - so far along in its planning, and supported by so many people - crash and fail. Please vote to eliminate, or to at least extend, the deadline for fundraising. The next phase of fundraising - from small donors in the public, has not yet even begun.

Sincerely,

Mary Theresa Freund

Hello,
I am writing today as a resident of Ward 1. I am in full support of making the proposed Performing Arts Center a reality.

This Center would be such a positive development for the downtown Nashua area. Our local restaurants as well as retail small businesses would get an incredible boost as it would attract a number of customers from surrounding towns. As an artist myself who spends much time entertaining our local Nashua patrons I can say that bringing a variety of art, music and theater would be met with a very positive reaction and greatly welcomed.

Our Nashua residents love music and the arts, they support our great live music here as well as special events being performed and held downtown.

As a resident of Nashua I can also say that a Performing Arts Center on Main Street would bring culture to our growing families and young people, from children to adults. The arts bring joy, life enrichment and education to all. It would be a wonderful addition to our city.

Thank you for your time,

I am writing to express my family’s full support for the Nashua Performing Arts Center project and the reauthorization before the Board of Alderman. The establishment of the center will be a wonderful edition to our city and attract visitors downtown to enjoy a performance, while hopefully eating a meal, stopping for a drink, or exploring our shops. As a supporter of the arts in our schools, I am encouraged that our city has determined the arts is a priority for our community. Nashua has all the potential to become a destination for Southern New Hampshire and, while I know communicating the intricacies of the plan and fundraising to the general public has been a challenge, I support the next steps.

Thank you for your consideration of my comments.

Good Afternoon,

To The Board of Aldermen:

My name is Ruby, the lead singer of R&B acoustic trio Ruby and the Groove from Nashua and we are advocates for the Nashua Performing Arts Center.

My bandmates and I believe that it is vitally important for Nashua and the community to have an establishment like the Performing Arts Center. Nashua is a city currently embracing a thriving art scene and can make the transition to a cultural destination! The Performance Arts Center can take Nashua to that next level and compete with other thriving NH cities like Manchester and Concord. It would be a great compliment to the night life of downtown, popular restaurants, breweries and boutiques.

The community is ready to support an Art Center and the time is right to develop one. The benefits will be economically and culturally rewarding for years to come. Please consider removing the mandate and extending the deadline to allow for the development of the Performance Art Center.

Sincerely,

Ruby Shabazz

Hello to the BOA,

I am unable to attend this evening's meeting, so I wanted to write to indicate my support for the PAC. I think this is a vital resource that our city needs in order to remain a vibrant, growing community.

While I wish that the original ballot question did not indicate a 2-year limit, I understand that the $4 million dollars is no longer a requirement. Because of this, I ask that you support moving the PAC forward. While it did remove a building from the city's tax revenue, in the long run it will bring in more money to local businesses when people come to events at the PAC. More businesses will thrive, and that alone will increase our tax base.

I am a subscription holder at the Merrimack Rep Theater in Lowell and every time I go with my friends we have a meal out before the show. I have done the same at the Capital Center for the Arts in Concord. If we do this right, perhaps people from other communities will come up here to attend events and eat and shop in our city.

I for one would love to have an opportunity to have the arts center just a few miles from my house. My husband is older and doesn't like to drive at night. Going just a few miles would give us an opportunity to be more active and participate more in cultural activities. We could even Uber if we needed to.

Thank you for reading this, and for your service to our great city!

Best regards,
Judy Blachek

Dear Board of Aldermen,

Today I am writing to you as the Executive Director of Great American Downtown, and on behalf of our Board of Directors. Our non-profit organization has a mission centered around economic and cultural vibrancy in Downtown Nashua.

You are in the process of considering a proposed update to the bond resolution for Nashua’s future Performing Arts Center at 201 Main Street, which will lift the 2 year limitation on fundraising efforts for the center, while leaving in place the objective of raising at least $4 million from the private sector to support the project. We are in favor of this update. The changes will allow for fundraising to continue toward the project, and advance the project into a shovel ready position as the change relates to financing and availability of funds, in the interest of incorporation of New Market Tax Credits into the private side of the project capital to be raised. NMTCs are projected to help the project team well exceed the initial $4 million, to a total projection of $6.5 million in outside revenues.

We recognize that in the second half of 2019 detailed architectural renderings have been developed, a non-profit to support the overall organizational structure has been established, and the project has already garnered a significant amount of financial support in the short window since those essential components in the fundraising process have gone into place.

Recommended in the City of Nashua’s 2000 Master Plan, the 2003 Downtown Master Plan, the 2015 Nashua Arts and Culture Plan, and by the Performing Arts Center Feasibility Study - the vision for the Performing Arts Center has been developed and refined over many years with great attention to “getting it right.” Nashua stands to benefit from that good work, as we approach execution in the months ahead.

We commend the Board of Aldermen, the Performing Arts Center steering committee, and Nashua Community Arts as they continue to do this in depth work, which will ensure that both the capital campaign and long term operation of the facility are successful. It is in your dedicated work and diligence that we will see the Performing Arts Center thrive, and in doing so, bring more opportunities for enjoyment and economic growth to our Downtown and to our city as a whole.

Thank you for all that you do to continually improve city life, to bring arts and culture to all citizens of Nashua and the surrounding area, and thank you for your continued support for making this community vision a reality.

Sincerely,

Good Morning,
I am writing to express my support for the Performing Arts Center. My husband and I often go to Manchester and Concord for various events and would definitely support this venue. The PA Center be an economic boost to Nashua by attracting more businesses and residents to the city as well as creating many jobs. A win for all! Thanks for your efforts.

To all concerned,

My name is Michael Reinke. I live at 35 Lock St. and I am writing in support of the Performing Arts Center and the bond which will make this project possible.

There is a hymn which begins "Once to every man and nation comes the moment to decide". This is Nashua's moment to decide what we want to be.

Over the years, development on Daniel Webster Highway to the south and 101A to the west has encouraged retail businesses to leave the downtown just as an increasing number of Nashuans (40% at most recent count) head south of the border to go to work. In my time living here, I have met a surprising number of residents who have lived here for a decade or longer and have never visited our downtown.

Every individual, every organization, every community needs to have a center to which it returns, a center which holds things together as the winds of time blow. It is hard to imagine a better center to Nashua than our existing downtown nor any other viable alternative.

Two years ago, when I spoke to the Board of Alderpeople, I referred to a town in Maine which faced a similar question. The City of Belfast had recently built a brand new bridge crossing the Bay and there were calls to tear the old bridge down. "Why should we pay for the maintenance of an old bridge that will never again be used for auto traffic?" was the thought. Those concerned with the short term expense failed to see how this same bridge could be an anchor to bring people down to the water and revitalize a struggling downtown. 40 years ago, Waldo County, in which Belfast is located, was not just the poorest county in the State of Maine but among the poorest in the entire United States. Today, housing prices in the City have more than doubled with companies like Bank of America choosing to locate a service center within the City limits.

The City of a Nashua has a choice. Do we want to be a bedroom community for Burlington, Manchester, and Lowell or do we want to be the destination people think of as the best place not just to live but to work and play.

We have the opportunity to make that choice today. I urge you to shine a bright and joyful light on the future of our downtown.

Sincerely,

Michael

Hi,

My name is Jamie Turbyne and I live at 35 Chester St, within Ward 3. I have been a supporter of the PAC from day 1, and I continue to be now. I would like to urge the BoA to continue down the path of realizing the PAC and making it a reality for our city. The Nashua downtown needs an anchor, it needs a place that will bring a constant flow of people to see shows, have dinner at our fantastic restaurants and check out all the other shops and small businesses in the area.

Nashua sits in the heart of a very dynamic region. Nashua, as a city, needs to offer a compelling set of attributes to attract new residents and businesses, as well as keep the ones it already has. Ultimately, Nashua is in competition with the cities and towns in the area to represent itself in the best way possible to bring new people in and expand its tax base. A vibrant downtown, anchored by a Performing Arts Center, would make the city exciting, it would offer a constant stream of entertainment, engagement and involvement with the citizens of not just the city, but the entire region.

Extending the deadline to raise the necessary funds for the PAC makes sense. It's a massive project, and massive projects take time. The ownership of raising those funds is still in the hands of those, such as myself, that view this project as a future crown jewel of the city. It's a vote for more time, time that is needed to realize the vision.

I urge you to support this, I urge you to support the vision of a Performing Arts Center at 201 Main St. as a key driver to keep pushing Nashua forward towards a brighter future.

Thank you,

-Jamie Turbyne.
Dear members of the Nashua Board of Aldermen and Alderadies:

I am writing in support of an extension to the period for reaching the private funding goal for the City’s Performing Arts Center (PAC). There are several reasons. I) The PAC’s continued development is an important element in the continued growth of our downtown area.

II) The City has already made positive strides, in drawing people from the region to Main Street and the surrounding streets This effort has included the beautification of the area, and the establishment of Great American Downtown. GAD has sponsored tremendously popular events that have drawn thousands of people. Family events in the downtown area boosts our economy and lowers crime rates.

III) As a downtown resident, I applaud your efforts, and those of Mayor Donchess, to bring more housing, including affordable housing, to the downtown area. I enjoy walking to the many venues and opportunities available for gathering, in community, for these enjoyable community-wide events! The Downtown merchants have responded, in kind, by having special events themselves, in sync with these GAD events. The merchants are very conscious of the importance of supporting such events, as a key windfall toward the income of each establishment.

IV) Finally, I also applaud Nashua’s history in supporting the arts! I have been able to volunteer my services at several of these.

There is obviously an indication here, that the City leadership has understood the value of the arts as, not only enjoyable in attending the events themselves, but also as an enjoyable and invaluable escape from the strains and stresses of everyday life. Nashua is much more in tune with this that other cities is our area, and more in line with Worcester, and even with Boston itself. For example, I just attended one of the finest string quartet programs I’ve heard this past Sunday, by The Symphony New Hampshire String Quartet at Good Shepherd Episcopal Church.

I remind you, once again, of the lyrics of Petula Clark’s 1964 hit, “Downtown”. It’s far too important to ignore. Therefore, I urge you to vote to extend the private fundraising period for the PAC.

As a former performing musician, I have frequented many venues across the country, working back stage on occasion and, building studios as well. I am in not in favor of the current Performing Arts Center as proposed. What I envision for the arts community in Nashua would accomplish far more.

Good fortune has given me the opportunity recently to visit two remarkable facilities that support of the arts. One in the city of New Orleans, Louisiana, and the other in Ajo, Arizona. (see links below) Housed in what was previously used, multi-floor school buildings, they now provide much needed housing for the artisan community as well as space for practice, study, and rehearsal/performance and art exhibition. This is a community where communication and collaboration is nurtured. A laboratory for development of new artistic ideas. A place where adjunct supply or market businesses can grow. Not just for performing arts, but all of the art forms. The list of possibilities is endless.

This space is available to us now. Future and current generations have invested wisely in one of the finest performance spaces in New Hampshire. O'Keefe Auditorium and the Elm Street Middle School. Continuing development and renovation of this historic landmark are well within the confines of the established plans we have set out for ourselves/our city. Much of the organizational structure is already in place.

I quote from the City of Nashua study on performance arts. "To this end, the Master Plan recommends creating a second retail node along Main Street South between Otterson Avenue and Salmon Brook Park. Anchored by the recently renovated Globe Plaza, now the Main Street Marketplace, the Main Street South retail node will complement, but not compete with Main Street North."

May we, as a city -- as a community, pause and give thought to what might be. An artistic Meca, the likes of nowhere else in New England.

Board members,

Could you tell me or provide me with any document that you might have the would show the amount of money raised of the $4 million in private funds for the performing arts center.

I did read in the Telegraph about Bank of America pledging $250,000 to the PAC. I am interested other funds raised.

I am going to assume that if you are voting to extend the deadline, that you have the amount raised. Please let me know if the information you provide includes the BoA investment.

All -

I urge you all to vote to NO to extend the deadline on the Performing Arts Center, R-20-001 / 2nd Amendment R-18-001.

This referendum was passed by the voting public with very specific criteria.

In changing that criteria, it's no longer something that the people voted for, it's Government telling the people: "we know better than you do, now shut up and pay."

Referendum votes are for the people to decide, you all get to decide everything else that we have to pay for.

I will be in attendance at the Public Hearing; I already have my comments prepared and printed.

You are missing the hole point that I have been attempting to get people like yourself to understand.

Why is it so difficult for anyone to understand the following:

1. I agree that they are doing the best job that they can and that they have limited resources.
2. The turn-around time by our current city employees leaves a lot to be desired, compared to what the Police Department was performing.
   EX: We do not necessarily respond immediately to phone calls vs. what the Police were doing.
   In fact, I experienced that it took over one hour to get back to me. Big Difference!
   In Addition: If you listen to the recording it tells you that it could take as much as two days to return your call.
   This is definitely not the procedure the Police Department was administering to this task.
3. The Mayor is promoting the theory that we are experiencing a better result, by $50K vs. what the Police Department was doing.
   Excuse me but, anyone can show a savings especially when there is a lower amount of manpower
   time devoted to this effort, vs. what the Police were doing.
   Furthermore, he ignored the part of my emails that emphasize that we are understaffed/not responding
   equally to what the Police Department was doing.
4. What I have been saying all along is that Jill is overburdened in such a way that she has difficulty in responding to all of the effort assigned to her.
   I am saying this because when I spoke to her directly she essentially said exactly that.

In summary, I have been saying that we can't take the proud position that we are fulfilling the departmental requirements equally to what the effort the Police Department was offering.

Therefore, for one thing, there is no $50K benefit by what we are doing vs. what the Police were doing.

That is actually a bogus analysis. It does not consider all of the pertinent facts when arriving at this conclusion. If everyone is thinking that way as the Mayor does then they are kidding themselves into a false sense of security, is what I call it.

Based upon what you have written, all I can say at this point to everyone is GOOD LUCK !

E.

I dont believe the city of nashua needs to spend money we dont have on a performing arts center. The money can be used wisely someplace else and help keep property taxes lower.

Dear Folks,

I thought perhaps you would be interested in reading the letter I sent to Mayor Donchess yesterday after a harrowing walk along the DWH to get from the bus stop to Trader Joe's. Sidewalk snow removal on the very busy main thoroughfares of Nashua has long been an issue with me, especially after a large snowfall when the snow of the street is pushed on to the sidewalks which directly adjoin these streets. Even without snow, the pedestrian is but an arm's length from the traffic which usually moves at a much faster rate than the 25 mph speed limit.

I urge all of you to carefully consider the life-threatening implications of this especially in the "tree street area" where I live and where many folks walk to the grocery, pharmacy, and other businesses in this area.

And I challenge you to the same one I issued to the Mayor. The bus service in Nashua is splendid but if you have to climb over a snow bank to get into or out of a bus and then walk on a busy street to get to your destination, it becomes another story!
Thank you, Priscilla Tempelman

Dear Mayor Donchess,

I challenge you to get on a city bus this day, or better yet, tomorrow when it will be viciously cold. Take the #6 or 6A to Trader Joe's in south Nashua (the buses leave the Terminal on the quarter hour) as I did today to purchase a few groceries (a bunch of bananas, 2 cans of beans, 2 boxes of crackers, a pound of carrots, a package of English muffins, and a half gallon of milk, and a little bag of stroopwafels). You will be impressed by the cleanliness and comfort of the ride, the friendliness of the driver, the cross section of citizens who use the bus. If you're an old codger like I am, the ride is free!!!

And just when you get warm and comfortable you can imperil your life by walking on what you assume is the sidewalk under the snow and ice, or cross the DW Highway and imperil your life by walking directly on the shoulderless road against oncoming fast-moving traffic. The sidewalk on that side of the street is the last to get the sun and thus still with full snow cover. If you choose that imperilment, you might amuse yourself observing varieties of disgruntled faces and deciphering the angry epithets every driver in his nice climate controlled comfort is hurling at the old fool walking in winter weather. And just for additional challenge, imagine that you are nearly 80 years old.

Pick up your groceries and reverse the process. You can catch a return bus on the Trader Joe side of the highway or, if you don't mind a little detour around The Mall, on the opposite side of the DWH where you disembarked. If you see the bus rolling by, don't
worry, there will be another one in a half hour, more or less. And there's nothing like a sunny cold winter day in New Hampshire.

Please let me know how it goes...(and thank you for endorsing Mayor Pete)

**IMPORTANT: TERMS AND CONDITIONS SET FORTH ON THE REVERSE SIDE OF THIS FORM ARE INCORPORATED HEREIN BY REFERENCE**
Terms and Conditions

1. Definitions. The first page of this Sales Order/Service Agreement is called the Cover Page. The Cover Page and these Terms and Conditions, along with a listing of additional products on Schedule A (if attached), represent the agreement (the "Agreement") between Convey Technology Group, LLC ("Company") and the Customer, with respect to the acquisition of those Products identified on the Cover Page and/or Schedule A. "Products" shall mean the equipment ("Equipment") and any software or firmware ("Software") throughout this Agreement. The word "We," "Our," and "Us" refer to Company. If a SALE, Company hereby offers to sell and Customer hereby agrees to purchase those Products in the quantity and for the price indicated on the Cover Page (and/or Schedule A). Payment terms are Cash on Delivery ("COD"). Alternatively, if Customer has a verifiable credit account in good standing with Company, Customer may elect to be invoiced for the Products; or
   b) A LEASE of Products. If a LEASE, Customer will execute a separate lease agreement which will fund the purchase of the Products in the quantity indicated on the Cover Page for the benefit of Customer. Upon execution of a lease agreement, the Customer shall be responsible to lessor to satisfy the terms and conditions of the lease. If, however, a lease agreement cannot be executed within 15 days of Customer's execution of this Agreement, Customer must immediately pay cash for the Products or return the Products to Company in Like New condition.

3. Delivery and Installation. Unless specifically otherwise on the Cover Page, the Company shall deliver and install the Products at the location specified by Customer on the Cover Page unless: (1) Customer has not made available at that address a suitable place of installation as specified by the Company; or (2) Customer has not made available suitable electrical service in accordance with the Underwriter's Lab ("UL") requirements. All risk of loss will transfer to the Customer upon delivery.

4. Taxes. Unless specifically set forth on the Cover Page where indicated, payments are exclusive of all state and local sales, use, excise, privilege and similar taxes. You will pay when due, either directly or to Us upon demand, all taxes, fines and penalties relating to this Agreement that are now or in the future assessed or levied.

5. Limited License to Use Software. Company grants (and is hereby authorized by its licensor's to grant) you a non-exclusive, non-transferable license to use in the U.S.: (a) software and accompanying documentation ("Base Software") only with the Equipment with which it was delivered; and (b) Software that is set forth as a separate line item in this Agreement ("Application Software") (including its accompanying documentation), as applicable, for as long as you are current in the payment of all applicable software license fees. "Base Software" and "Application Software" are referred to collectively as "Licensed Software". You have no other rights and may not: (1) distribute, copy, modify, create derivatives of, decompile, or reverse engineer Licensed Software; (2) activate Licensed Software delivered with the Equipment in an inactivated state; or (3) allow others to engage in same. Title to, and all intellectual property rights in, Licensed Software will reside solely with Company and/or its licensors (who will be considered third-party beneficiaries of this Section). Licensed Software may contain code capable of automatically disabling the Equipment. Disabling code may be activated if: (a) Company is denied access to periodically reset such code; (b) You are notified of a default under this Agreement; or (2) your license is terminated or expires. The Base Software license will terminate: (i) if you no longer use or possess the Equipment; or (ii) upon the expiration or termination of any applicable lease which accompanies this Agreement, unless you have exercised your option to purchase the Equipment. Neither Company nor its licensors warrant that Licensed Software will be free from errors or that its operation will be uninterrupted. The foregoing terms do not apply to Diagnostic Software or to Licensed Software/documentation accompanied by a clickwrap or shrink-wrap license agreement or otherwise made subject to a separate license agreement.

6. Warranty. You acknowledge that the Products covered by this Agreement were selected by You based upon Your own judgment. COMPANY MAKES NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, ORAL OR WRITTEN, INCLUDING, WITHOUT LIMITATION, IMPLIED WARRANTIES OF NON-INFRINGEMENT; IMPLIED WARRANTIES OF MERCHANTABILITY; OR FITNESS FOR A PARTICULAR PURPOSE, ALL OF WHICH ARE SPECIFICALLY AND UNRESERVEDLY EXCLUDED.

7. Limitation of Liability. In no event shall Company be liable for any indirect, special, incidental, consequential damages, loss of profits, or punitive damages whether based in contract, tort, or any other legal theory and irrespective of whether Company has notice of the possibility of such damages.

8. Default; Remedies. Any of the following events or conditions shall constitute an Event of Default under this Agreement: (a) failure to make payment when due of any indebtedness to Company or for the Products, whether or not arising under this Agreement, without notice or demand by Company; (b) breach by You of any obligation herein; or (c) if You cease doing business as a going concern. If You default, Company may: (1) require You to immediately pay any remaining unpaid balance of the Agreement; (2) terminate any and all agreements with You, and/or (3) pursue any other remedy permitted by law or in equity. You agree that any delay or failure of Company to enforce its rights under this Agreement does not prevent Company from enforcing any such right at a later time. All of Company's rights and remedies survive the termination of this Agreement.

9. Indemnification. You are responsible for and agree to indemnify and hold Us harmless from, any and all (a) losses, damages, penalties, claims, suits and actions (collectively, "Claims"), whether based on a theory of contract, tort, strict liability or otherwise caused by or related to Your use or possession of the Products, and (b) all costs and attorneys' fees incurred by Us relating to such claim.

**REPRESENTATIONS AND WARRANTIES OF CUSTOMER:** You hereby represent and warrant to us that: (a) you have been duly authorized by the Constitution and laws of the applicable jurisdiction and by a resolution of your governing body to execute and deliver this Agreement and to carry out your obligations hereunder; (b) all legal requirements have been met, and procedures have been followed, including public bidding, in order to ensure the enforceability of this Agreement; (c) this Agreement is in compliance with all laws applicable to you, including any debt limitations or limitations on interest rates or finance charges; (d) the Equipment will be used by you only for essential governmental or proprietary functions of you consistent with the scope of your authority, will not be used in a trade or business of any person or entity, by the federal government or for any personal, family or household use, and your need for the Equipment is not expected to diminish during the term of this Agreement; (e) you have funds available to pay contracted Payments until the end of your current appropriation period, and you intend to request funds to make contracted Payments in each appropriation period, from now until the end of the term of this Agreement; and (f) your exact legal name is as set forth on page one of this Agreement.

**NON-APPROPRIATION OR RENEWAL:** If either sufficient funds are not appropriated to make contracted Payments or any other amounts due under this Agreement or (to the extent required by applicable law) this Agreement is not renewed, this Agreement shall terminate and you shall not be obligated to make contracted Payments under the Agreement beyond the then-current fiscal year for which funds have been appropriated. Upon such an event, you shall, no later than the end of the fiscal year for which contracted Payments have been appropriated, deliver possession of the Equipment to us. If you fail to deliver possession of the Equipment to us, the termination shall nevertheless be effective but you shall be responsible, to the extent permitted by law and legally available funds, for the payment of damages in an amount equal to the portion of contracted Payments thereafter coming due that is attributable to the number of days after the termination during which you fail to deliver possession and for any other loss suffered by us as a result of your failure to deliver possession as required. You shall notify us in writing within seven days after your failure to appropriate funds sufficient for the payment of the contracted Payments or (to the extent required by applicable law) this Agreement is not renewed, but failure to provide such notice shall not operate to extend the Agreement term or result in any liability to you.

**TITLE TO THE EQUIPMENT:** If the selected purchase option for this Agreement is $1.00 or $101.00, unless otherwise required by law, upon your acceptance of the Equipment, title to the Equipment shall be in your name, subject to our interest under this Agreement.

The parties wish to amend the above-referenced Agreement by restating the following language:

1. AGREEMENT: You agree to lease from us the goods ("Equipment") and, if applicable, finance certain software, software license(s), software components and/or professional services in connection with software (collectively, the “Financed Items”), which are included in the word "Equipment" unless separately stated from software licensor(s) and/or supplier(s) (collectively, the “Supplier”), all as described in this Agreement and in any attached schedule, addendum or amendment hereto ("Agreement"). You represent and warrant that you will use the Equipment for business purposes only. You agree to all of the terms and conditions contained in this Agreement, which, with the acceptance certification, is the entire agreement between you and us regarding the Equipment and which supersedes any prior purchase order, invoice, request for proposal, responses or other related document. This Agreement becomes valid upon execution by both parties. The term shall start on the date you pay Supplier. Interest on overdue amounts will be in accordance with the laws of the State of New York. You agree to pay interest on any amount delinquent at the rate set by the laws of the State of New York. You agree to pay to us all reasonable costs and expenses, including reasonable counsel fees, incurred in connection with the collection of any overdue amounts due under this Agreement.

2. OWNERSHIP; PAYMENTS; TAXES: We own the Equipment, excluding any financed Items. You agree to exclude from any purchase of the Equipment, leases, sales, ownership, possession, use or operation. If we pay you any taxes or other charges that are owed hereunder, you agree to reimburse us when we request and to pay us a processing fee for each expense we pay on your behalf. You agree to pay us a fee of $50.00 for filing and/or searching costs required under the Uniform Commercial Code ("UCC") or other laws. You agree to pay us an origination fee of $59.99 for all closing costs. We may apply any sums received from you in excess of the Equipment value to the Equipment price. If at any time your account is not in good standing, you agree to pay to us any amount charged back to us by your bank. If you fail to pay us any rental or lease amount, we may terminate this Agreement and your rights under this Agreement and retain all sums paid by you as liquidated damages.

3. EQUIPMENT; SECURITY INTEREST: At your expense, you shall keep the Equipment: (i) in good repair, condition and working order, in compliance with applicable laws, ordinances and manufacturers' and regulatory standards; (ii) free and clear of all liens and claims; and (iii) at your address shown on page 1, and you agree not to move it unless we agree in writing. You grant us a security interest in the Equipment and a lien in the same as collateral for all sums due and owing hereunder.

4. INSURANCE; COLLATERAL PROTECTION; INDEMNITY; LOSS OR DAMAGE: You agree to keep the Equipment fully insured against all risk, with us named as loss payee, in an amount not less than the full replacement value of the Equipment until this Agreement is terminated. You also agree to maintain liability insurance with such coverage and from such insurance carrier as shall be satisfactory to us and to include us as an additional insured on the policy. You will provide written notice to us within 10 days of any modification or cancellation of your insurance policy(s). You agree to provide us with certificates or other evidence of insurance acceptable to us. If you do not provide us with acceptable evidence of property insurance within 30 days after the start of this Agreement, we may, at our sole discretion, charge you a monthly insurance property damage surcharge of up to 2035 of the Equipment cost as a result of our credit risk and administrative costs, as would be further described on a letter from us to you. We may make a profit on this program.

NOTHING IN THIS PARAGRAPH WILL RELIEVE YOU OF RESPONSIBILITY FOR LIABILITY INSURANCE ON THE EQUIPMENT. We are not responsible for, and you agree to hold harmless and indemnify us for any losses or damages and reimburse us for and to defend on our behalf against, any claim for any loss, expenses, liability or injury caused by or in any way related to delivery, installation, possession, ownership, leasing, manufacture, use, condition, inspection, removal, return or storage of the Equipment. All indemnities will survive the expiration or termination of this Agreement. You are responsible for any loss, theft, destruction or damage to the Equipment.

5. ASSIGNMENT: You shall not assign, transfer, assign, encumber, pledge or sublease the Equipment without our prior written consent. You shall not cease or merge with or into any other entity, distribute, sell, dispose of all or any substantial portion of your assets other than in the ordinary course of business, without our prior written consent, which shall not be unreasonably withheld, conditioned or delayed. You shall also use the Equipment only for the purposes for which it has been purchased. You shall not at any time sell, assign, transfer, assign, encumber, pledge or sublease the Equipment without our prior written consent and you agree to sell, assign, transfer, assign, encumber, pledge or sublease the Equipment for any amount due under this Agreement.

DEFAULT AND REMEDIES: You will be in default if you do not pay any Payment or other sum due to us or you fail to perform in accordance with the covenants, terms and conditions of this Agreement or any other agreement with us or any of our affiliates; (ii) you make or have made any false statement or misrepresentation to us; (iii) you or any guarantor dies, dissolves, liquidates, terminates existence or is in bankruptcy; (iv) you or any guarantor suffers a material adverse change in its financial, business or operating condition; or (v) any guarantor defaults under any guarantee for this Agreement. If you are in default, at our option, we can cancel this Agreement and require that you pay the unpaid balance of this Agreement, including any future Payments to the end of the term plus the anticipated residual value of the Equipment, both discounted to present value at 2%. We may recover default interest on any unpaid amount as liquidated and not as a penalty.

7. INSPECTIONS AND REPORTS: We have the right, at any reasonable time, to inspect the Equipment and any documents relating to its installation, use, maintenance and repair. Within 30 days after our request, you will deliver all requested information which we deem reasonably necessary to determine your current financial condition and faultless performance of the terms hereof. Financial information will generally not be required unless your financial condition is such that an amount of $1,000 or more is involved in the Equipment price. You agree to cooperate with us in the application of the Equipment and shall fairly and accurately present your financial condition and results of operations for the period to which it pertains. You authorize us to obtain credit bureau reports for credit collection purposes and to share them with our affiliates and agents.

8. END OF TERM: Unless the purchase option is $1,000, at the end of the initial term, this Agreement shall renew for successive 12-month renewal term(s) under the same terms hereof unless you send us written notice between 90 and 150 days before the end of the initial term or at least 30 days before the end of any renewal term that you want to purchase or return the Equipment, and you timely purchase or return the Equipment. You will continue paying monthly installments for the Equipment until the expiration of the initial term or the end of any renewal term(s), whichever is later, unless you purchase or return the Equipment. If you purchase the Equipment, you will become the legal owner of the Equipment. The Equipment price shall be specified, at your expense, in retail re-salable condition, full working order and complete repair. YOU ARE SOLELY RESPONSIBLE FOR REMOVING ANY DATA THAT MAY RESIDE IN THE EQUIPMENT, INCLUDING BUT NOT LIMITED TO HARD DRIVES, DISK DRIVES OR ANY OTHER FORM OF MEMORY.

RE: Sheet 103/Lot 103 Almont St

In Accordance with RSA 231:133-a and NRO 190-213, the Board of Alderman have the sole authority to assign or alter address numbers of buildings and other property along any public or private way in the municipality. The New Hampshire Addressing Standards Guide developed by NH E911 defines the universal safety standards for addressing in NH. The City of Nashua has been notified by the Division of Emergency Services and Communications that collection of data has begun in the City in March of 2019.

The request before you is to assign a numerical address where no compliant address is available with the current NH E911 Standards. This lot of record has been granted variances from the City of Nashua Zoning Board of Adjustment to construct a single family residence.

It is this Committee’s strong recommendation to continue to move forward in a way that will not create a noncompliant situation for future residents. We recommend 26 Almont St (sheet 103-lot 97) be renumbered to 24 Almont; 28 Almont St (sheet 103-lot 101) be renumbered to 26 Almont; and sheet 103 lot 103 be numbered 28 Almont St.

We would further recommend a less compliant but acceptable numbering of sheet 103 lot 103 to 28 ½ Almont St. We do not recommend using the letter A as an assigned address as this is reserved for Accessory Dwelling Units.

Respectfully submitted,
Addressing Committee

Re: Petition for Street Number Assignment for – Tax Map 103 Lot 103, Almont Street

Dear Board of Aldermen,

My name is Marcelo Borges d/b/a GIMAK Properties, LLC the current owner of Tax Map 103 Lot 103 located on Almont Street. I was directed by Fire Marshall Adam Pouliot to contact the Board of Aldermen to seek resolution in assigning Tax Map 103 Lot 103 an official street address.

Currently, Tax Map 103 Lot 103 is a vacant lot with the exception of a small shed (to be razed) located toward the rear of the property. The property abutting my property to the North, along Almont Street (Tax Map 103 Lot 101), has a street address of #28. The property abutting my property to the South, along Almont Street (Tax Map 103 Lot 105), has a street address of #30. Per the Zoning Department, Tax Map 103 Lot 103 meets all the requirements to build a house on the vacant lot. The NH E911 standards requires sequential whole numbering of lots be assigned to new construction. Tax Map 103 Lot 103 was not given a numbered street address and to comply, I need a street number assigned.

The Fire Marshall recommended I contact the property owners along Almont Street to see if they would be willing to change their street address. The only way to avoid this is petition is if the Owner's at #28 and #26 Almont Street are willing to change their address to #26(28) and #24(26) allowing my lot to be sequential at #28 Almont Street. After a letter and several discussions, the owners are not willing to change their addresses. Therefore, I petition the Board of Aldermen for resolution to this matter.

Property owners involved: 103-101, #28 Almont Street Laura A. & Frank A. Carson (account number 35630) – 103-197, #26 Almont Street Matthew S. Dusenberry & Sarah M. Provencher (account number 10442).

Very truly yours,
Marcelo Borges
