RESOLUTION

RELATIVE TO THE SUPPLEMENTAL APPROPRIATION OF \$30,000 OF UNANTICIPATED REVENUE INTO DEPARTMENT #160 "PUBLIC WORKS ADMINISTRATION & ENGINEERING"

In the Year Two Thousand and Twenty-One

RESOLVED by the Board of Aldermen of the City of Nashua to appropriate \$30,000 of FY2021 unanticipated revenue from Department #160 "Public Works Administration & Engineering", Account #45999 "Miscellaneous Revenue" into Department #160 "Public Works Administration & Engineering, Account #53107 "Architect and Engineering Services".

LEGISLATIVE YEAR 2021

RESOLUTION: R-21-134

PURPOSE: Relative to the supplemental appropriation of \$30,000 of FY2021 unanticipated revenue into Department #160 “Public Works Administration & Engineering”

SPONSOR(S): Mayor Jim Donchess

COMMITTEE ASSIGNMENT: Budget Review Committee

FISCAL NOTE: This resolution will reduce FY2021 year-end General Fund surplus.

ANALYSIS

This resolution appropriates \$30,000 of FY2021 unanticipated revenue into the Public Works Administration & Engineering operating budget. The unanticipated revenue was realized by the Purchase and Sales agreement of 141 Burke Street, Nashua, between the City (“Seller”) and Burke Street Nashua, LLC (“Buyer”). Whereas, the agreement states if the Buyer requests an extension of a December 30, 2020 closing date, a monthly non-refundable payment of \$10,000 shall be paid to the City. Funds will be used to contract engineering services for review of development plans.

Charter Sec. 53 permits specific non-budget, supplementary appropriations. There should be notice and a public hearing. A two-thirds vote is required under Charter Sec. 56-b for an item or amount not in the mayor’s budget. A roll call is required under Charter Sec. 49.
