NEW BUSINESS:

- Chief Assessor Rick Vincent with a department update-- Chief Vincent presented the quarterly report submitted to the BTLA. Chairman Hansberry followed up on a question posed during a recent Board of Alderman meeting concerning the rate of errors found during the revaluation process. Chief Vincent explained that errors are hard to quantify, as inconsistencies can occur for any number of reasons beyond assessor error (for example, the owner did not pull required building permits and therefore updates to a property were not captured appropriately). He went on to explain that the Department of Revenue periodically inspects a random sampling of properties and uses a scorecard to track incorrect data.
- Greg Turgiss presenting prorated assessments for damaged buildings

PUBLIC COMMENT:

- Ms. Laurie Ortolano, 41 Berkeley Street—Ms. Ortolano requested that the policy manual be updated to state that the Board of Assessors do not review abatement applications.
- Ms. Laura Colquhoun, 30 Greenwood Drive (via Zoom)—Ms. Colquhoun expressed concerns about whether Vision Government Solutions is conducting sales verifications during the revaluation process.

Chairman Daniel Hansberry

Is there a motion to go into non-public session for two reasons, first to discuss matters which, if discussed in public, would likely affect adversely the reputation of any person, other than a member of this board, unless such person requests an open meeting? This exemption shall extend to include any application for assistance or tax abatement or waiver of a fee, fine or other levy, if based on inability to pay or poverty of the applicant, pursuant to RSA 91-A:3, II(c). Second, under 91-A: 3, II (L), for the “consideration of legal advice provided by legal counsel, either in writing or orally, to one or more members of the public body, even where legal counsel is not present.”

MOTION BY Robert Earley to enter non-public session

SECONDED BY Paul Bergeron

VOTE:

Mr. Earley-Yes

Mr. Bergeron- Yes

Mr. Hansberry- Yes

(The Board entered non-public session at 9:19 AM)

(The Board resumed public session at 10:09 AM)

Chairman Dan Hansberry

Is there a motion to seal the minutes of the non-public session because divulgence of the information likely would 1) affect adversely the reputation of any person other than a member of this public body, and 2) render the proposed action ineffective?

MOTION BY Robert Earley to seal the non-public minutes.

SECONDED BY Paul Bergeron

VOTE:

Mr. Earley-Yes

Mr. Bergeron-Yes

Mr. Hansberry-Yes

MOTION BY Robert Earley to adjourn.
SECONDED BY Paul Bergeron
VOTE: Motion passed on a voice vote.
