General Meeting Highlights/Notes/Brief Description of Meeting

<ul style="list-style-type: none"> - Tree removal is ongoing and the project is in line with the budget. Expected completion is March 2020. - In line with the development of the Downtown Riverfront, snow removal has been taking place on the northern and southern parts of the River. - VHB Update: Engineers have scheduled meetings for the public and stakeholders especially abutters. One of the goals is to secure dates for engineers to assess structures that could be used for cantilevered bridges along the Riverwalk. - -
