General Discussion:

Operations – it was noted that developing an operational plan or developing the beginnings of a business a plan to use as a strategic document was discussed. It was noted that this needs to occur in order for a NMTC and because it will help inform the design process.

Peter Lally of Spectacle Manager was present to give an overview and framework was to how the operations of a Performing Arts Center (“PAC”) typically work.

There was a Q&A with Peter and the Committee.

The Meeting concluded by 7 PM.
