The regular meeting of the Electric Aggregation Committee was held in Room 208 at City Hall.

Clifton Below (Community Power Coalition of NH), and representatives from Freedom Energy/Colonial Power Group were also in attendance for portions of the meeting.

1. Discussion with Clifton Below of Community Power Coalition of NH (CPCNH)

The committee engaged with Mr. Below regarding CPCNH. Topics included the Aggregation Plan, how CPCNH will operate, and the vendors involved with the operation.

2. Discussion with Freedom Energy/Colonial Power Group

The committee engaged with Freedom Energy/Colonial Power Group. Topics included what they bring to the table, and the risks involved in community power whether through CPCNH or a third-party vendor.

Review of the electric aggregation plan will continue and edits will be made until the document is ready to go to the Board of Aldermen for approval.

3. Review Next Steps

The committee will spend the next meeting continuing to determine what Nashua-specific content should be added to plan and what changes should be made.
