1:1 The "BOARD" recognizes the Nashua Teachers Union as the exclusive representative for the purpose of collective bargaining for "Unit B" concerning wages, hours and other terms of employment of all paraprofessionals employed in the Nashua School District.

1:2 All employees shall as a condition of continued employment, join the exclusive bargaining agent organization or pay to the exclusive bargaining agent organization a service fee in an amount determined by the Union. The Board shall deduct the amount of service fee as certified by the Union.

Upon individually written authorization by each employee and approval by the Union President, the District agrees to deduct from each employee so authorized, the current monthly union dues or agency fee, as certified to the District by the Treasurer of the Union, and deliver the same to the Union Treasurer. Said deduction is to be made weekly, however, if any member has no check coming or the check is not large enough to satisfy the assignments, then and in that event no collection will be made from said member for that week. Deductions will commence no later than the fourth pay period following the date the authorization form is filed with the District.

The form of the authorizations are shown as Appendix D and D-1 to this Agreement. The Union shall select a single payroll dues deduction and agency fee arrangement for each contract year to cover all Union members, and shall inform the District payroll office of the arrangements at least three calendar weeks prior to the implementation date.

The right to dues and agency fee deduction shall be extended to the recognized bargaining agent only.

ARTICLE III
GRIEVANCE PROCEDURE

Grievance and Arbitration Procedures

3:1 The purpose of this Article is to establish a procedure for the settlement of grievances which involve an alleged violation of a term or provision of the existing contract. All such grievances will be handled as provided in this Article.

3:2 No grievance shall be considered under the grievance procedure unless it is presented as provided below. A grievance must be referred to the next step as provided below or the grievance will be considered settled on the basis of the last answer given. If a grievance is once settled in any of the following steps, it shall be considered closed and shall not thereafter be subject to the grievance procedure or to arbitration.

3:2.1 All grievances over which a Principal has no jurisdiction shall be submitted directly to the Superintendent within thirty (30) school days after the aggrieved party knows or should have known of the act or condition on which the grievance is based. Submission at any level within that thirty (30) school day period shall establish the timeliness of the grievance.

3:3 Step 1

Any employee who has a grievance shall, with or without the Union Representative, discuss it first with the employee’s Principal in an attempt to resolve the matter at that level.

3:4 Step 2

If the grievance is not settled within ten (10) school days after presentation at Step 1, the grievant shall, within ten (10) school days thereafter, set forth the grievance in writing to the Principal, specifying:

(a) The specific nature of the grievance and date it occurred;
(b) The provision(s) of this Agreement which is alleged to have been violated;
(c) The nature and extent of the injury, loss or inconvenience;
(d) The results of previous discussions;
(e) The basis for dissatisfaction with the decisions previously rendered;
(f) The remedy which is desired.

The grievance shall be signed by the aggrieved employee and Union Representative before being presented to the Principal in Step 2.

3:5 If the grievance is not received in writing by the Principal in Step 2 within thirty (30) school days after the aggrieved party knows or should have known of the act or condition on which the grievance is based, the grievance will be considered as waived. An alleged waiver will be subject to arbitration pursuant to the provisions of this Article. The Principal shall act upon the grievance within five (5) school days after receipt at Step 2 and shall communicate the decision in writing to the UNION.
Step 3

If the issue is not resolved after Step 2, the grievance shall, within five (5) school days after receipt of the Principal's decision be submitted to the Superintendent of Schools. The Superintendent shall act upon the grievance within a period not to exceed ten (10) school days and shall communicate the decision in writing to the Union.

Step 4

The UNION, no later than ten (10) school days after receipt of the Superintendent's decision, may appeal the Superintendent's decision to the School BOARD. The Appeal to the BOARD must be made in writing reciting the matter submitted to the Superintendent and the basis for dissatisfaction with the decision rendered by the Superintendent. The BOARD shall act upon the Appeal within a period not to exceed fifteen (15) school days. The BOARD shall communicate its decision in writing to the UNION.

Failure at any step of this procedure by the Administration to communicate a decision on a grievance within the specified time limits shall permit an appeal of the grievance to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the BOARD until such grievance and any effect thereof shall have been fully determined.

Arbitration

If a grievance involving the interpretation or application of a specific provision of this Agreement has not been settled after being fully processed through the grievance procedure above, then the UNION may submit such grievance to arbitration by giving written notice thereof to the BOARD not later than two (2) school weeks after the completion of Step 4. The grievance shall be considered as having been settled in Step 4, unless it is so submitted to arbitration within such time limit.

Aggrieved persons may be represented at all stages of the grievance procedure by themselves and by a representative selected or approved by the Nashua Teachers' Union.

When a grievant in Step 1 is not represented by the Nashua Teachers' Union in the processing of a grievance, the Nashua Teachers' Union shall, at the time of submission of the grievance at Step 2, have the right to be present and present its position, in writing, at all meetings with the grievant held concerning the grievance and shall receive a copy of decisions rendered.

The choice of the Arbitrator shall be by Agreement of the parties. However, if such agreement has not been reached within one (1) school week after the receipt of such written notice submitting the grievance to arbitration, the grievance may be referred by the UNION to the American Arbitration Association for the selection of an arbitrator in accordance with the rules then obtaining, of said Association, applicable to labor arbitrations. Any arbitration hereunder shall be conducted in accordance with such rules, subject to the provisions of this Agreement.

Each grievance shall be separately processed in any arbitration proceeding under this Article.

There shall be no right to arbitration to obtain, and no arbitrator shall have any power to award or determine, any change in, modification or alteration of, addition to, or subtraction from, any of the terms of this Agreement.

The Arbitrator selected will confer with representatives of the BOARD and the UNION. The arbitrator will set forth findings, in writing, and submit them to the BOARD and the UNION.

The decision of the arbitrator, if made in accordance with the arbitrator's jurisdiction and authority under this Agreement, will be accepted as final and binding by both parties.
The BOARD agrees that it will apply to all substantially similar situations the decision of an arbitrator sustaining a grievance and the UNION agrees that it will not bring or continue, and that it will not represent any employee in any grievance which is substantially similar to a grievance denied by the decision of an arbitrator.

The arbitrator's fee will be shared equally by both parties to the dispute.

**Released Time**

Any employee who has filed a grievance in accordance with the provisions of this contract will be granted release time, as needed without loss of pay or loss of personal days, for attendance at required grievance and/or arbitration hearings. The same privilege shall be granted to one UNION representative who attends said hearings with the employee.

**Summer Timeliness**

In the event the processing of a grievance under Article III extends beyond the completion of the pupil school year, all time periods, referred to in the above then remaining, shall be doubled and the reference shall be to business days or business weeks during that period between the end of one pupil school year and the beginning of the pupil school year next following.

**ARTICLE IV**

**SALARY AND RATES OF PAY**

**Basic Salary Schedule**

All members of the Bargaining Unit, in the active employ of the District on the date of signing of this Agreement, will receive salaries in accordance with the pay classifications contained in Appendix A and the salary schedules contained in Appendices B-1, B-2, B-3 and B-4.

Such reimbursement shall be limited to courses taken at an accredited college or university, and which, in the opinion of the appropriate assistant superintendent of schools or designee, are job related and of benefit to the District. Reimbursement will be made only for courses leading to a Degree, or leading to paraprofessional certification; or a grade of "pass", if a course is offered only on a pass/fail basis. Prior written approval of the Assistant Superintendent or designee is required prior to enrollment in the course for the course to be considered for reimbursement.

5:1 Workers' Compensation Benefits

Employees shall continue to be covered by the provisions of the New Hampshire Workers' Compensation Act.

5:2 Supplemental Injury Benefits

The following benefits shall be available only to paraprofessionals in active employment who work a regular schedule of 1080 or more hours per school year and shall be paid only for those days when school is in session.

(a) A paraprofessional absent from work as the result of a work related injury or illness occurring during employment with the District, and who receives workers' compensation benefits, shall be paid by the District 100% of the difference between the employee's average daily wage as determined for the purpose of workers' compensation benefits, and the amount of daily workers' compensation benefits received by the employee for each day that school is in session;

(b) It is intended that no employee shall receive for each day of absence more than the amount of daily pay as determined for the purpose of workers' compensation benefits. Any excess amounts received shall be forthwith returned to the BOARD;

(c) Absences under this provision shall be charged to the employee's accumulated sick leave on the basis of one-half day sick leave deducted for each day of absence;

(d) This supplemental benefit shall cease upon the exhaustion of the employee's sick leave entitlements;

(e) The provisions of this section shall not prevent an employee from electing to waive the supplemental benefit from the District, in which instance no sick leave days shall be deducted from the employee's accumulated sick leave;

(f) An employee, absent from work due to a work-related injury or illness, may be terminated by the District after the exhaustion of workers' compensation benefits, or one year, whichever is sooner. Upon medical certification that the employee is fully able to perform the employee's former job responsibilities, an employee, terminated under this section 5:2 (f) because of an absence of one year, shall be rehired for the next available similar position as that held by the employee at the time of termination, provided the employee is qualified for the position.

5:3 Health Benefits
A. Effective September 1, 2008, the following benefits shall be available only to employees in active employment who work a regular schedule of 1080 or more hours per school year and who have completed one (1) year of employment.

The Board of Education shall provide, subject to the provisions of this Article, upon the request of an eligible employee, the contribution as defined in Section 5 (B), toward the premium of an individual plan, subject to plan approval, of one, of the following, if available, or a comparable plan:

(a) Point-of-Service-Plan with benefits comparable to those currently provided;
(b) HMO Plan; or
(c) The city may make additional plans available to members with benefit levels and premium cost sharing determined by the city in its sole discretion.

Provided that any employee who is enrolled in an indemnity plan with the city on the effective date of this agreement shall be allowed to continue that indemnity plan. However, no other employees shall be allowed to select the indemnity plan.

The option of the health care plan is at the sole discretion of the City. It is agreed by all parties concerned that the city reserves and shall have the right to change insurance carriers provided the benefits to participants are comparable and the city elects the least expensive plan available to provide such benefits.

Should the City determine that it is in the best interests of the City to offer a “comparable” plan to either option “a” or “b”, it shall provide at least one hundred twenty (120) days prior written notice to the Union and documentation of the cost to members and the benefits that will be provided under the comparable plan. Should the Union determine that the proposed plan is not comparable, the grievance shall not be subject to the grievance procedure and shall be submitted directly for arbitration no later than thirty (30) days after the Union is notified of the proposed change to the comparable plan. The grievance shall be heard in an expedited manner. The decision of the arbitrator shall be binding on both parties.

Comparable Plan Definition: For the purposes of this Article, a comparable plan means no additional out-of-pocket increases to employees and no reduction in current benefits and at least 95% of the current physicians, including specialists and hospitals.

For the duration of this Agreement, either party to the Agreement may request that a joint labor/management committee be convened to consider the performance of the aforementioned plans and any changes thereto.

All plans offered by the City shall have the following co-payments:

(a) Medical Visits - $10.00
(b) Emergency Room Hospital Visits each year of the contract: (Co-Pay waived if admitted)
   $50.00 for the first 3 visits per subscriber;
   $100.00 for the next 3 visits per subscriber;
   $50.00 for each subscriber visit thereafter.

Any eligible member of the bargaining unit requesting initial membership in a plan may enter during a specified enrollment period. Any eligible member desiring to select a different plan may make such a change only during the annual enrollment period. Eligible members moving into or out of a HMO or Point-of-Service Plan service area may change plans within a specified period after such move to the extent permitted by the plans.

(B) The BOARD shall contribute toward the premium a sum equal to the following percentages, as contained in the table below based on years of service, of the single person premium of the applicable plan.

An employee shall become eligible for the group health insurance benefits on the first of the month following the conclusion of the eligibility period as defined in Section 5.3 (B) subject to plan approval.

The following benefits shall be available only to paraprofessionals who work a regular schedule of 1080 or more hours per school year, and who have completed thirty (30) days of employment.

6:1 **Sick Leave**

1. Paraprofessionals who work a regular schedule of 1080 or more hours per school year shall be entitled to sick leave of 10 days without loss of pay. Each eligible paraprofessional's sick leave shall be accumulative to a total of 75 days. Each eligible paraprofessional having worked at least one complete school year in the Nashua School District may maintain sick leave and carry-over their accrued time. Should the paraprofessional move from the status of a paraprofessional having worked more than 1080 hours per previous school year, to a paraprofessional position of less than 1080 hours per school year, then return to a paraprofessional position of more than 1080 hours per school year, upon returning to a paraprofessional position of more than 1080 hours per school year without a break in service, the paraprofessional may regain the accrued sick leave time which had been earned prior to moving to a paraprofessional position of less than 1080 hours per school year.

2. No sick leave payments shall be applied retroactively for unpaid leave taken during the probationary period.

3. The District agrees that each employee entitled to annual sick leave shall be notified at the beginning of each school year of the employee's accumulation to date. Balances provided on the employee's pay stub shall constitute notice.

4. Sick leave shall be allowed only in the case of necessity and actual sickness or disability of the employee or the employee's children or spouse or domestic partner who reside with the employee, or for the employee to take physical and dental examinations or other sickness prevention measures. In case of the serious illness or accident of the spouse of the employee necessitating the employee's absence from work, the Principal or designee may grant absence from work with sick pay up to the amount of annual and accumulated sick leave to which the employee is entitled.

5. An employee must notify the principal prior to starting time, in order to draw sick leave pay. In order to qualify for paid sick leave of four (4) consecutive days or more, the employee may be required to present a doctor's certificate or other satisfactory evidence to the principal or supervisor, indicating the employee was unable to work due to sickness or injury during the period claimed.

6. The District may terminate any employee absent from work due to illness after exhaustion of benefits under this Article, exhaustion of authorized leave, or after three (3) month's of continuous absence.

7. In the event a newly hired employee leaves the employ of the District within 10 months of being hired, and has taken sick leave before leaving the District's employ, that employee shall return to the District all pay received for sick leave taken in excess of those days which bear the same ratio to the annual sick leave authorized as the number of full months worked by the employee bears to ten.
8. Payment to employees working 1080 hours or more per school year for time lost by reason of sick leave shall be made on the basis of the number of hours in the employee's regular daily work schedule. A deduction of one day from any sick leave to which the employee is entitled shall be made for each day of sick leave taken.

6.2 Sick Leave Bank

1. A Sick Leave Bank shall be maintained in accordance with this article for participating members who have exhausted their individual accrued sick leave as a result of a serious extended illness, incapacitating accidents.

2. Contributions must be made within thirty (30) calendar days from the date the person begins employment or within thirty (30) calendars days of a call for replenishment of the Bank. The initial contribution of participating members shall be one (1) day, with subsequent contributions of one (1) day for each call for replenishment. All contributions shall be voluntary.

3. A call for replenishment shall be made at any point in time when the balance of days in the Sick Leave Bank account falls below one (1) day times ⅜ the number of members in the bank or 120 days, whichever is lower.

4. The operation of the Bank and withdrawals from it shall be governed by a Committee of two (2) members selected by the Union and one administrator selected by the Superintendent. The Committee shall establish such rules and operating procedures as may be necessary to administer the Bank. In considering requests for withdrawal from the Bank, the committee may require substantiating medical documents, and in all cases, the decision(s) rendered by the Committee shall be final and binding.

5. A member may withdraw sick days from the Bank only after:
   1) exhausting his or her individual accrued sick leave;
   2) receiving the approval of the Committee.

   However, withdrawals shall be retroactive to the first working day following the exhaustion of accrued sick leave benefits.

6.3 Personal Leave

1. Paraprofessionals who work a regular schedule of 1080 or more hours per school year and who have completed thirty (30) days of employment shall be entitled to non-accumulative leave of absence with full pay for the following reasons up to a maximum of four (4) days in any pupil school year.

   (b) The Principal may, if necessary and for valid reason, withhold approval of requests for personal leave;
   (c) Paraprofessionals requesting a personal day immediately preceding or following a holiday or vacation period must provide the Principal, or his/her designee, with the specific reason the personal day is being requested. No paid personal days will be granted for the aforementioned days for the exclusive purpose of extending the holiday or vacation period, or if the reason for which the day is requested could be scheduled on another day.
3. Personal leave days which are not used in any contract year will be added to the employee's accumulated sick leave balance as provided for in Section 6:1 of this agreement.

4. Paraprofessionals utilizing personal leave on an early release day shall receive the employee's regular rate of pay based on the employee's regular work day.

5. Paraprofessionals shall have the option to utilize their available personal leave days to receive compensation when school is closed due to inclement weather or unforeseen circumstances. Such election shall be made at the beginning of the contract year and shall not be revocable.

ARTICLE VII
WORKING CONDITIONS

7:1 Employment Status

1. The Administration shall, no later than June 1 of each school year, notify each employee of its intent to retain or not to retain the employee in employment for the following school year using Appendix E. This notification is subject to final passage of the City Budget by the Nashua Board of Aldermen, and to final allocations by the Board of Education of the funds budgeted. Employees will indicate their intention to return, no later than 10 calendar days immediately following the notification date referred to above.

2. The Administration shall notify employees of their tentative assignments for the coming school year no later than August 1.

3. During a planned reduction in staff, the following procedure will be used:
   a. Where possible, staff reductions will be accomplished through attrition in staff.
   b. In making involuntary staff reductions, the least senior paraprofessional within the designated area being reduced shall be laid off. If the paraprofessional in the position being reduced is not the least senior paraprofessional, the paraprofessional in the position being reduced shall be transferred to an available paraprofessional's position within the designated area. Such transferred paraprofessional shall serve a thirty (30) school day probationary period in the new position. If in the opinion of the building principal the paraprofessional is unable to perform satisfactorily in the new position, the paraprofessional will be placed in the recall pool. Before reaching a decision to displace a paraprofessional, the principal must meet with the paraprofessional to explain the reasons why the principal believes the work performance to be unsatisfactory. The reasons given by the principal shall not be arbitrary or capricious. The three designated areas, instructional paraprofessional, technical paraprofessional and district-
wide special education paraprofessional shall be in accordance with Appendix C. Designated grade levels shall be Grades Nursery-6, and Grades 7-12.

c. When personnel are hired into designated areas previously reduced, preference will be given to personnel previously terminated under (b) above, within a designated area by order of seniority. If no paraprofessional is available for recall from within the designated area in which the vacancy exists, the District is not precluded, at its option, from hiring a paraprofessional in the recall pool from within another designated area.

All paraprofessionals recalled under this Section 7:1.3(c) will serve a 30 school day probationary period in the new position.

If a paraprofessional in the recall pool declines an offered position twice, the paraprofessional will have no further recall rights.

Except as otherwise provided, recall rights will last a maximum of two years from the date of layoff.

d. If, in the opinion of the building principal, a paraprofessional under the provisions of this Section 7:1.3 is unable to perform satisfactorily in the new position to which the paraprofessional is transferred or recalled, the paraprofessional shall be returned to the recall pool in the paraprofessional's original designated area. A paraprofessional who is deemed, in the opinion of a building principal, to be unable to perform satisfactorily in three assignments shall have no further recall rights.

e. Within a designated area, transfer rights will be implemented before any recall rights. When crossing designated areas, recall rights will supersede transfer rights.

4. No member of the Bargaining Unit shall be dismissed or disciplined except for just cause after having completed the probationary period associated with a position.

7:2 Seniority

When requested to take a different position, by the Administration, the paraprofessional shall retain seniority and accrued leave time.

7:3 Evaluation

1. All evaluations shall be made openly, and shall be made by the employee's principal, assistant principal, associate principal, or department coordinator.

2. A copy of any written evaluation report, signed by the employee, shall be placed in the employee's personnel file and a copy given to the employee. The employee's signature shall not necessarily indicate agreement with the content of the report. The employee shall have the right to make a written reply which shall be attached to the evaluation report in the employee's personnel file. All evaluations will be reviewed, in person, with the employee by the person making the evaluation.

7:4 Personnel Files

4. Upon 24 hours notice, each employee shall have the right to review and reproduce material in the employee's personnel file.

5. The employee shall have the right to answer any material filed and the answer shall be attached to the file copy. The answer shall be reviewed by the Superintendent, Assistant Superintendent or Supervisor.

6. Reproductions of such material may be made by hand, or copying machine, if available.

7. (a) Any item contained in an employee's file to which an employee has not been given access shall not be utilized in any legal proceeding against the employee;

   (b) An employee shall be given, upon request, a receipt for all transcripts, medical forms and all other material submitted to the Administration.

1. The workyear shall consist of 180 pupil days. At the option of the District, special education paraprofessionals may be required to attend a workshop on the work day preceding the first pupil school day. Unless otherwise specified in this Article 7:5, such regular work schedule shall not begin earlier than 45 minutes prior to the commencement of the regular school day, or end later than 1 hour after the close of the regular school day.

If a pupil's IEP requires services to be provided at times beyond those specified in paragraph one above, the special education paraprofessionals working with the pupil will decide who among them works a different work schedule. In the event that the paraprofessionals are unable to decide, the paraprofessional who works with the pupil the most amount of time will be required to work a different regular work schedule. Such regular work schedule shall not begin earlier than 1 hour and 45 minutes prior to the commencement of the regular school day, or end later than 1 hour and 45 minutes after the close of the regular school day, the distribution of the time prior to the beginning of the pupil school day and after the close of the pupil school day to be at the discretion of the Principal. Should a paraprofessional's regular work schedule begin earlier or end later than the regular work schedule contained in paragraph 1 of this section, such a paraprofessional will be given reasonable access to a telephone for work related needs. If a paraprofessional does not consent to work this schedule, the paraprofessional will be transferred to a vacant position, if such is available for which the paraprofessional is qualified. If there is no vacancy, the paraprofessional will be placed in the recall pool.

Job coach paraprofessionals, who are informed prior to employment that they may be required to work evening hours, weekends, school vacation periods, summers and/or holidays, will be required to do so upon request. Such paraprofessionals will be provided a minimum of ten (10) calendar days notice prior to when such days/hours are required to be worked unless the paraprofessional waives such notice. The paraprofessional will be paid for a minimum of three (3) hours per day at such times regardless of the time actually worked. The paraprofessional who would not otherwise qualify under the provisions of Article 4:5 will be compensated at one and one-half times the paraprofessional's regular hourly rate for any time worked on Sundays or the following holidays -- New Years Day; Martin Luther King Day; Presidents Day (or the Monday of the school winter vacation week, whichever day is the designated District observance consistent with the school calendar); Memorial Day; July 4th; Labor Day; Columbus Day; Veterans Day; Thanksgiving Day; the Friday following Thanksgiving; and, Christmas Day.

3. Paraprofessionals shall make themselves available for meetings which extend beyond their regular work schedule, at the request of the appropriate Assistant Superintendent, or for emergencies which extend beyond their regular work schedule, at the request of the building Principal. Except in emergencies, 48 hours notice shall be given to paraprofessionals of times when they are expected to be available beyond their regular work schedule. Paraprofessionals shall be reimbursed for any such time worked which extends beyond their regular work schedule at their regular hourly rate of pay or, as applicable, in accordance with Article 4:5.

4. Unless an employee is specifically excused by the building Principal, employees shall be required to work their regular work schedule on delayed opening and early release days. If the employee is excused, the employee will be paid only for hours actually worked. No employee shall be required to work when a school day is canceled due to inclement weather or other emergencies. If the pupil school day is abbreviated by action of the District on an unscheduled basis due to an emergency, and a paraprofessional is specifically released from work before the conclusion of the paraprofessional's normal work day, the paraprofessional will be paid the paraprofessional's normal daily wage, regardless of the number of hours actually worked.

5. Temporary assignments of less than ten (10) consecutive pupil school days to cover absences or emergencies shall not constitute a regular schedule.

6. Each member of the bargaining unit shall be entitled to a thirty (30) minute unpaid lunch break.
7. Any paraprofessional who, on the date of the signing of this Agreement, is working a regular schedule of 1080 or more hours per school year, and, whose regular work schedule is involuntarily reduced below 1080 hours per school year, shall continue to receive those specific benefits set forth in writing in this Agreement to which that paraprofessional would have been entitled had he or she continued to have a regular work schedule of 1080 or more hours per school year.

7:6 Discrimination

There shall be no discrimination against any employee because of the employee's Union activities or because of the employee's membership in the Union, or because of the filing of any grievance under this contract.

7:7 Duties and Job Descriptions

The Union shall be provided a draft copy of a job description for any new paraprofessional position or any modified job description for an existing paraprofessional position. The Union shall be provided the opportunity to comment on new or modified paraprofessional job descriptions prior to their implementation. A copy of changes in paraprofessional job descriptions shall be furnished to the Union and those paraprofessionals affected.

2. In the event a paraprofessional substitutes or supervises for a teacher who is absent from the classroom in excess of one complete period at the secondary level or one continuous hour at the elementary level, such paraprofessional shall receive for the time so worked the per diem substitute teacher rate of pay or the paraprofessional's rate of pay, whichever is greater plus an amount based on a daily stipend in the amount of $35.00. The per diem substitute teacher rate of pay will be prorated based on seven periods at the secondary level, or the paraprofessional's normal work hours at the elementary level.

3. Except as otherwise provided in Section 7:7.2, paraprofessionals normally will not be required to work outside their designated area. However, paraprofessionals may temporarily be required to work outside their designated area due to extenuating circumstances. Except in cases of emergency, no paraprofessional, other than a health paraprofessional, shall be required to assist a nurse or to transport a student who is ill or injured.

4. The Board agrees to indemnify any employee transporting a student for health reasons.

7:8 Rules, Regulations and Policies

All employees shall comply with future advisories on tuberculosis screening issued by the Division of Public Health Services. The Board of Education will provide, through its own agents at no expense to the employee, any screening services which may be required by the State for employees after their employment with the District, but will not provide those services to prospective employees.

7:10 All duties required to be performed by health paraprofessionals will be in accordance with RSA Ch. 200.
