CITY OF NASHUA

In the Year Two Thousand and Nine

RESOLVED by the Board of Aldermen of the City of Nashua that

WHEREAS Resolution R-03-296, “Relative to the acceptance and appropriation of $50,000 from the Department of Health and Human Services of Maryland into Special Revenue Account #341-6419”, passed by the Board of Aldermen on November 25, 2003, accepted and appropriated grant money “for the purpose of establishing an organizational framework that will attract highly qualified volunteers with planned assignments that can maximize their knowledge and skills necessary to work effectively in emergency situations”. Said organizational framework is known as the “Medical Reserve Corps”; and

WHEREAS Resolution R-04-115, “Creating a Special Revenue Fund for Disaster Life Support Course Fees”, passed by the Board of Aldermen on September 28, 2004, created a special revenue fund under RSA 47:1-b to restrict revenues from all basic and advanced disaster life support course fees to expenditures for the purposes of funding future disaster life support courses. Although not mentioned in the resolution, the disaster life support course program was performed through the Medical Reserve Corps organizational framework; and

WHEREAS the Special Revenue Fund created by R-04-115 contains $11,638.30; and

WHEREAS the city has determined that providing continued disaster life support courses is no longer a desirable or effective use of that money;

NOW THEREFORE BE IT RESOLVED that pursuant to RSA 47:1-b and c, the majority of the board of aldermen answer “yes” to the following question:

“Shall we rescind the provisions of RSA 47:1-b to restrict revenues from all basic and advanced disaster life support course fees to expenditures for the purpose of funding future disaster life support courses? Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the disaster life support course fees special revenue fund, separate from the general fund. Any surplus in such fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote of the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue.”
And, upon the date of passage, rescind the special revenue fund created by R-04-115; and

BE IT HEREBY FURTHER RESOLVED that the monies remaining in that special revenue fund are proceeds stemming from the grant funds accepted by R-03-296, and the city shall utilize those funds in a manner appropriate and consistent with federal and state requirements, fitting within the purpose of the original grant funds.

AND BE IT HEREBY FURTHER RESOLVED by the Board of Aldermen of the City of Nashua that the City of Nashua and the Division of Public Health and Community Services are authorized to transfer ownership of the attached inventory list to the Greater Nashua Medical Reserve Corps so they can continue to utilize the equipment and supplies in a manner consistent with the purpose of the original grant.

ANALYSIS

R-04-115 created a special revenue fund under NH RSA 47:1-b to restrict revenues from all basic and advanced disaster life support course fees to expenditures for the purpose of funding future disaster life support courses. This program was conducted through the organizational framework of the Medical Reserve Corps, under grant funds accepted and appropriated by R-03-296. The original purpose of the special revenue fund is no longer desirable, so this legislation is to rescind the special revenue fund, as permitted under RSA 47:1-c, IV, and then to use the remaining funds in an appropriate manner, considering the purpose of the original grant funds.

State law requires the board of aldermen to hold a public hearing on this legislation at least 15 days but not more than 30 days before this legislation is to be voted on. Notice of the public hearing must be posted in at least 2 public places in the city and published in a newspaper of general circulation at least 7 days before the hearing. NH RSA 47:1-c.
