ANALYSIS

R-08-22 authorized CDBG funds in the amount of $31,500 to the Nashua Police Athletic League for the replacement of a sewer line and corresponding repairs to the plumbing system at the Police Athletic League facility on 52 Ash Street. This legislation would allow the Nashua Police Athletic League to use $19,000 of remaining funds towards the installation of air conditioning at their facility on 52 Ash Street.

The Urban Programs Department indicates that this legislation does not require a public hearing as it is a reallocation for funds already approved through resolution and public input.
