RESOLUTION

NAMING THE UPPER FIELD/MINOR LEAGUE FIELD AT LINCOLN PARK
“MICHAEL ZAPENAS FIELD”

CITY OF NASHUA

In the Year Two Thousand and Nine

RESOLVED by the Board of Aldermen of the City of Nashua that the upper field/minor league field at Lincoln Park shall be named “Michael Zapenas Field”. This is to honor Michael Zapenas who has retired as the long-time president of the Northwest Baseball League.

Mr. Zapenas was a very instrumental part of the creation of the Lincoln Park baseball facility. He preceded Ronald Jackson and presided over Nashua Northwest baseball from the late 1990s until Ronald took over in the early 2000s. One of Michael’s career highlights was working tirelessly with the city to design and create the Lincoln Park sports complex. He coached the t-ball level up through the major league level not once but twice as each of his sons played through the program. He built the program at times single handedly and spent countless hours at the field verifying that everything was in its proper place.

Michael often coached several teams at a time when there were shortages of coaches or when he thought that there were additional improvements that could be made to the program. He concentrated on teaching the fundamentals and would work with the coaches to be sure that they were trained in proper skill sets that were essential in standardizing the program.

Although Mr. Zapenas was never able to reap the results of the notable championships that Nashua Northwest has captured in recent years, his efforts were second to none in laying the foundation of the program and its success today. Without the efforts of Mike and his dedication to Nashua’s youth baseball, the city program would not be where it is today.
