

**RESOLUTION**  
**RECOGNIZING RIVIER COLLEGE**  
***CITY OF NASHUA***

*In the Year Two Thousand and Nine*

***RESOLVED*** by the Board of Aldermen of the City of Nashua

***Resolved*** by the Board of Aldermen of the City of Nashua that the Mayor and the Board of Aldermen recognize Rivier College's accomplishments and contributions to the community as the College celebrates its 75<sup>th</sup> anniversary.

Rivier College is the oldest institution of higher education in the City of Nashua. Established in Hudson, New Hampshire in 1933, the College moved to its present location on South Main Street in Nashua in 1941. Originally committed to educating the daughters of the city's French millworkers, Rivier has grown to offer more than 60 undergraduate day, evening, and graduate programs in various disciplines, including the only doctorate of education in the state of New Hampshire.

The Sisters of the Presentation of Mary founded a school dedicated to transforming hearts and minds to serve the world. Thousands of Rivier alumni live and work in Nashua, carrying out the mission every day. Students, faculty, staff and alumni have a profound impact in our schools, our healthcare facilities, our businesses, and throughout our community. They make many important contributions to our City.

Throughout its history, the College has developed programs and partnerships in response to needs within the community. In addition to academic degree programs, Rivier offers a variety of social and cultural opportunities to the citizens of Nashua, through the Rivier Institute for Senior Education, the Early Childhood Center, athletics games and sports camps, the Rivier College Art Gallery, and a wide range of programs and lectures open to the public each year.

The City of Nashua is proud to recognize Rivier College's many achievements and contributions to the quality of life in our community over the last 75 years. We thank you.
