

## RESOLUTION

### EXTENDING CONGRATULATIONS TO THE NASHUA PAL FORCE JUNIOR TEAM '09

### *CITY OF NASHUA*

*In the Year Two Thousand and Ten*

**RESOLVED** by the Board of Aldermen of the City of Nashua that congratulations from Mayor Donnalee Lozeau and the Board of Aldermen are hereby extended to the Nashua PAL Force Junior Team '09.

Cheerleading is a sport like no other. It integrates strength, flexibility, technique, dance and endurance. Teammates must have full faith in each other and their abilities. Without any team member, the routine cannot go on – no substitutions, no time outs and no second chances. Every member of the team is integral to the team's success.

The Junior squad and its coaches worked together from day one towards their ultimate goal: not necessarily to win, but for each team member to grow and perform at a level greater than even they believed they could. Through coaches' encouragement and continuous parental support, the team began to gain the confidence in themselves needed to perform. The Junior team went on to a first place win at their first invitational competition in Bedford, New Hampshire, and a first place win at the AYC New Hampshire State competition at the University of New Hampshire, which permitted them to continue on to the New England Regional Competition in Hartford, Connecticut. After a nearly flawless routine, the Junior team was awarded first place, again, advancing them to Nationals in Orlando, Florida. In Florida, the team performed a top notch routine, which won them the second place National trophy.

The City of Nashua is very proud of this Junior squad, their families, their coaches, the Nashua PAL Force Board, and Nashua PAL.
