LEGISLATIVE YEAR 2010

RESOLUTION: R-2010-20

PURPOSE: Updating the financial standards for the city's welfare guidelines

SPONSOR(S): Mayor Donnalee Lozeau

**COMMITTEE
ASSIGNMENT:**

FISCAL NOTE: These changes in the financial standards for the city's welfare guidelines represent an average 4% increase over standards approved in May 2008. Applying voucher counts for the current fiscal year, this represents about a 3.7% average increase in welfare costs per voucher. This increase has been considered in calculating the FY2011 General Assistance budget figures.

ANALYSIS

NRO Sec. A400-9, E (11) requires the mayor and board of aldermen to approve payment levels determined by the welfare officer for various allowable expenses. This resolution is to approve an updated financial standards schedule, effective on July 1, 2010. The welfare officer determined the appropriate current financial standards for various categories of general assistance from the following sources: shelter allowances based on current HUD and NH Housing Finance Authority fair market rents; food allowances based on US Department of Agriculture and Health & Human Services food allotment standards; and maintenance allowances based on a cost of living increase over the May 2008 maintenance allowances.
