

RESOLUTION

RECOGNIZING CHIEF DONALD CONLEY OF THE NASHUA POLICE DEPARTMENT

CITY OF NASHUA

In the Year Two Thousand and Eleven

RESOLVED by the Board of Aldermen of the City of Nashua that the Mayor and the Board of Aldermen recognize Chief Donald Conley of the Nashua Police Department for his invaluable contributions to the City of Nashua.

Chief Conley has been an employee of the Nashua Police Department for almost 32 years. He joined the department after serving our country as a Marine and a U.S. Capital police officer. As a Nashua police officer, he worked up through the ranks starting as a patrolman, then detective, to prosecutor, deputy chief and finally chief. Working up through the ranks gave him the opportunity to learn how each position in the department makes the department work as a unit and see first-hand the needs of the community. This knowledge let Chief Conley to become very involved with community policing and the crime watch program, meeting with the crime watch leaders and running the Citizens Police Academy.

Under his command as Chief, the Nashua Police Department became one of only two departments in the state to have a top, or flagship, rating from a national accreditation agency, which only about ten percent of police departments in the country attain. Chief Conley has always emphasized the importance of professionalism, integrity and accountability for every police department employee.

The City of Nashua is fortunate to have dedicated employees such as Chief Donald Conley, and we congratulate him on his retirement and his years of service to the citizens of Nashua.
