ANALYSIS

This legislation authorizes the acceptance of a Conservation Easement Deed for the purpose of preserving the easement area as undeveloped land and preventing future development thereon. This conservation easement is located to the west and north of the water tank and contains approximately 3 acres. This easement is not for public access or use. The land is to remain in its natural state except for certain drainage/water management installations and utilities. The city will be required to maintain the easement using acceptable forestry and environmental practices. The easement has been granted to the city by North Concord Street Properties, LLC at no cost to the city.

CONSERVATION EASEMENT DEED
(Expiration of Map 51, Lot 8 off Henri Burque Highway, Nashua, NH)

North Concord Street Properties, LLC, a New Hampshire limited liability company, with a place of business at 179 Amherst Street, Nashua, Hillsborough County, New Hampshire 03064 (the "Grantor"), for consideration paid, grants to the City of Nashua, a New Hampshire municipal corporation, with offices at City Hall, 229 Main Street, Nashua, Hillsborough County, New Hampshire 03060 (the "Grantee"), with WARRANTY COVENANTS, in perpetuity, the following described conservation easement (the "Conservation Easement" or the "Easement") with respect to certain land situated in Nashua, Hillsborough County, New Hampshire, more particularly described in Exhibit A attached (the "Conservation Land").

The Easement is granted exclusively for the following conservation purposes and upon the following terms and conditions:

   A. To protect permanently the Conservation Land as undeveloped land for the preservation of the natural scenic and aesthetic character of the Conservation Land; and

   B. To protect permanently the Conservation Land from any future development, construction or use that will significantly impair or interfere with the conservation purposes set forth in subparagraph (A) above.

2. Use Limitations.

   A. The Conservation Land shall be maintained in perpetuity in an undeveloped and natural condition without there being conducted thereon any residential, industrial or commercial activities, except (i) installation, use and maintenance of utility lines and appurtenances (for residential purposes only), (ii) the cutting and removal of dead or diseased trees and other vegetation and activities consistent with good forestry and good land management practices and (iii) the installation, use and maintenance of storm water management and drainage installations and appurtenances.
B. No new structures or improvements shall be constructed onto the Conservation Land, except for (i) utility lines and appurtenances contemplated in Section 2(A) above and (ii) storm water management and drainage installations and appurtenances contemplated in Section 2(A) above.

C. No removal, filling, or other disturbances of soils, nor any changes in topography, surface or subsurface water systems, wetlands, or natural habitat shall be allowed unless such activities are (i) related to the uses and activities permitted in Section 2(A) above or (iii) are not detrimental to the forestry, conservation and habitat management and land management purposes of this Easement.

D. No fertilizers or pesticides shall be applied in the Conservation Land.

E. Notwithstanding any other provisions of this Section 2, the Grantee may install, repair and maintain fences in the Conservation Land.

A. The Grantee shall maintain the Conservation Land in its undeveloped and natural condition, subject to and consistent with the provisions of Section 2 above. Without limitation to the foregoing, the Grantee shall keep the Conservation Land free of debris and, from time to time, cut and remove dead or diseased trees or other vegetation, and conduct good forestry and good land management practices, so as to keep the Conservation Land in a healthy and vibrant condition.

B. The Grantee shall maintain, repair and replace, from time to time, storm water management and drainage installations and appurtenances and keep the same in good working order and condition free of silt, debris and other materials which would clog or otherwise adversely affect the functionality of such systems.

C. The Grantee shall prohibit access to the Conservation Land by the general public. The Conservation Land shall be accessed only by the agents, employees and contractors of the Grantee to effect its obligations under this Easement.

The Grantor reserves the right to install, use and maintain utility lines and appurtenances (for residential purposes) in connection with the development of the remainder of the Grantor’s Property (defined in Section 6(B) below).

5. Taxes and Maintenance.

A. The Grantor shall be under no obligation to maintain the Conservation Land.

B. The Grantor shall pay all real estate taxes assessed against the Conservation Land, recognizing that the Conservation Land constitutes portions of the Grantor’s Property.
6. **Easements and Grantor’s Property.**

**A.** This Easement (and the Conservation Land) are subject to all easements, covenants and restrictions of record, including, without limitation, the easements referenced in Exhibit B attached.

**B.** The term “Grantor’s Property” means a certain parcel of land situated on the westerly side of Concord Street and the northerly side of Henri Burque Highway in Nashua, Hillsborough County, New Hampshire, being shown as Lot 8 on a plan entitled “Subdivision/Consolidation Plan (Lots 1 & 8, Map 51) Hayden Green Concord Street Nashua, New Hampshire” by Hayner/Swanson, Inc. dated 3 February 2011, and recorded with the Hillsborough County Registry of Deeds as Plan No. 37321 (the “Subdivision/Consolidation Plan”).

7. **Benefits, Burdens and Access.**

**A.** The burdens of the Easement shall run with the Conservation Land and shall be enforceable against all future owners of the Conservation Land (being a portion of the Grantor’s Property) in perpetuity. The reserved rights in favor of the Grantor shall run with the Grantor’s Property and shall inure to the benefit of all owners of the Grantor’s Property and the Association (defined in Section 8 below).

**B.** The benefits of this Easement shall be appurtenant to the Grantee’s other land situated to the north and west of the Grantor’s Property (and contiguous to the Grantor’s Property) known as Map 52, Lot 118 on the City of Nashua Assessor’s Maps and referred to as Lot 118 Map 52 on the Subdivision/Consolidation Plan.

**C.** The Grantee shall have reasonable access to the Conservation Land and for inspection and as is necessary to exercise its rights under this Easement and fulfill the responsibilities and carry out the duties assumed under this Easement Deed. To effect its right of access, the Grantee (by and through its agents, employees and contractors) shall enter the Conservation Land at such location(s) as the Grantor, or its successors-in-title to the Grantor’s Property, determine. The Grantee shall provide at least forty-eight (48) hours prior notice before exercising its rights of access: provided, that no prior notice shall be required in the case of an emergency. The Grantee shall not permit the general public to access the Conservation Land.

**D.** The Grantor (for itself and its successors-in-title to the Grantor’s Property) hereby reserves the right of access over the Conservation Land to effect all rights of a fee simple owner of real estate, including its reserved rights under this Easement.

8. **Condominium Association.** The Grantor intends to subject the Grantor’s Property (inclusive of the Conservation Land) to the condominium form of ownership and in connection therewith, establish an association of unit owners pursuant to RSA Ch. 356-B and RSA Ch. 292 (the “Association”). At such time as the Grantor no longer controls the appointment of members of the board of directors of the Association (as contemplated in RSA 356-B:36), the Association shall succeed to the rights and duties of the Grantor under this Easement.

A. In the event (i) the Grantee is in default of its obligations under this Easement, (ii) the Grantee is aware of conduct that is inconsistent with the terms of this Easement or (iii) conduct occurs that is inconsistent with the terms of this Easement such conduct comes to the attention of the Grantor, and the Grantor so advises the Grantee, then the Grantee shall undertake such actions, including restoration, which are reasonably calculated to cure such default or terminate such conduct, and to repair any damage.

B. The Grantee and the Grantor (for themselves and their successors-in-title to this Easement and the Grantor’s Property, respectively) reserve the right, separately or collectively, to pursue all legal and equitable rights and remedies against third parties responsible for any actions detrimental to the conservation purposes or other purposes of this Easement.

10. No Rights Granted to Third Parties or the General Public. This Easement does not establish any rights in favor of any third parties or the general public. The rights and benefits established under this Easement are for the exclusive benefit of the Grantee. Without limitation to the foregoing, the general public is granted no rights under this Easement, including, without limitation, no rights of access to the Conservation Land.

11. Notices. All notices, requests and other communications, required or permitted to be given under this Conservation Easement Deed shall be in writing, except as otherwise provided herein, and shall be delivered in hand or sent by certified mail, postage prepaid, return receipt requested to the appropriate address set forth above or at such other address as the Grantor or the Grantee (or their respective successors in interest) may hereafter designate by notice given in accordance herewith. Notice shall be deemed to be given when so delivered or within two (2) days after so mailed.

12. Severability. If any provision of this Conservation Easement Deed, or other application thereof to any person or circumstance, is found to be invalid by a court of competent jurisdiction, by confirmation of an arbitration award or otherwise, the remainder of the provisions of this Conservation Easement Deed or the application of such provision to persons or circumstances other than those to which it is found to be invalid, as the case may be, shall not be affected thereby.

13. Condemnation.

A. Whenever all or part of the Conservation Land is taken in exercise of eminent domain by public, corporate, or other authority so as to abrogate in whole or in part the Easement, or whenever all or a part of the Conservation Land is lawfully sold without the restrictions imposed upon it hereunder in lieu of exercise of eminent domain, the Grantor (or the then owner(s) of the Grantor’s Property) and the Grantee shall thereupon act jointly to recover the full damages resulting from such taking with all incidental and direct damages and expenses incurred by them thereby to be paid out of the damages recovered.

B. The balance of the damages recovered from such taking or lawful sale in lieu of exercise of eminent domain shall be divided between the Grantor (or the then owner(s) of the
Grantor’s Property, as the case may be), and the Grantee in proportion to the fair market value, at
the time of condemnation, of their respective interests in that portion of the Conservation Land so
condemned or sold. For this purpose and that of any other judicial extinguishment of this
Conservation Easement Deed, in whole or in part, the values of the Grantor’s (or the then current
owner(s)’ interests) and the Grantee’s interest shall be determined by an appraisal prepared by a
qualified appraiser at the time of condemnation or extinguishment.

C. The Grantee shall use its share of the proceeds resulting from condemnation
or extinguishment in a manner consistent with and in furtherance of one or more of the conservation
purposes set forth herein.

14. **Merger.** The Grantor and the Grantee explicitly agree that it is their express intent,
forming a part of the consideration hereunder, that the provisions of the Easement set forth herein
are to last in perpetuity, and that to that end no purchase or transfer of the underlying fee interest in
the Conservation Land by the Grantor or to the Grantee or any successor or assign shall be deemed
to eliminate the Easement or any portion thereof, granted hereunder under the doctrine of merger or
any other legal doctrine.

15. **Binding Effect.** The Grantee, by accepting and recording this Conservation
Easement Deed, for itself, its successors and assigns, agrees to be bound by and to observe and
enforce the provisions hereof and assumes the rights and responsibilities herein granted to and
incumbent upon the Grantee, all in the furtherance of the conservation purposes for which the
Easement is delivered.
