The perpetual and exclusive right to lay, construct, install, operate, maintain, repair, replace and remove underground pipes, ducts, conduits and other appurtenances as the Grantee may from time to time desire for water distribution purposes.

This conveyance shall include the right of access from, to and across said Land for all purposes in connection with the exercise of the within granted rights and easement; the right to excavate, trench, and backfill by men or machines and temporarily to place excavated earth and other material on said Land, provided that the said Land shall be restored by the Grantee to substantially the condition in which it was immediately prior to such access, excavation, trenching, and backfilling; the right to trim, cut down and remove bushes, trees and other plant growth on the Land as and to such extent as in the judgment of the Grantee is necessary for any of the above purposes; the right to go upon the Land when working on water lines and associated equipment; and the right, to be exercised only for temporary periods when continuity of service requires, to install temporary above-ground lines over and across said Land.

The Grantor, for itself and its successors and assigns, covenants and agrees (i) that they will not erect or maintain, or permit to be erected or maintained, any permanent building or structure of any kind or nature upon the Land, or plant or permit to be planted any trees, over said underground pipes and other equipment, except as provided below, and (ii) that they shall not alter the grade of the Land as such grade exists at the time of the installation of the pipes and other equipment referred to above.
The Grantor further covenants and agrees, for itself and its successors and assigns, that in the event of excavation or grading by Grantor which in the good faith opinion of the Grantee might materially disturb, dislocate, damage or endanger said pipes or other equipment, the Grantor will install reasonable shoring or bear the expense of its installation at reasonable locations specified by the Grantee or its representatives, and in the event of any damage to said pipes or other equipment as a result of such excavation or grading, the Grantor will pay the cost of repair to, or replacing of, said pipes or other equipment as the case may be.

The Grantee agrees and undertakes to hold Grantor and its successors and assigns free and harmless from any liability, loss, costs, damages or expenses, including reasonable attorney's fees, which Grantor may incur as a result of any claims or actions which may be made arising out of Grantee's rights granted hereunder.

The Land is a portion of the premises conveyed to City of Nashua, by deed of Edward P. Hutchins and Joyce M. Hutchins dated June 17, 1999 and recorded in Hillsborough County Registry of Deeds at Book 6118, Page 097.

IN WITNESS WHEREOF, the City of Nashua has caused this Easement Deed to be duly executed this ______ day of ________________, 2013.
