UNIT B AGREEMENT made between the NASHUA BOARD OF EDUCATION (hereinafter called the "BOARD") and the NASHUA TEACHERS' UNION LOCAL 1044, AMERICAN FEDERATION OF TEACHERS, AFL-CIO (hereinafter called the "UNION"),

DATED:___________________

ARTICLE I
RECOGNITION

1:1 The "BOARD" recognizes the Nashua Teachers Union as the exclusive representative for the purpose of collective bargaining for "Unit B" concerning wages, hours and other terms of employment of all para-educators employed in the Nashua School District.

1:2 All employees shall as a condition of continued employment, join the exclusive bargaining agent organization or pay to the exclusive bargaining agent organization a service fee in an amount determined by the Union. The Board shall deduct the amount of service fee as certified by the Union.

Upon individually written authorization by each employee and approval by the Union President, the District agrees to deduct from each employee so authorized, the current monthly union dues or agency fee, as certified to the District by the Treasurer of the Union, and deliver the same to the Union Treasurer. Said deduction is to be made weekly, however, if any member has no check coming or the check is not large enough to satisfy the assignments, then in that event no collection will be made from said member for that week. Deductions will commence no later than the fourth pay period following the date the authorization form is filed with the District.

The form of the authorizations are shown as Appendix D and D-1 to this Agreement. The District will also recognize authorizations for voluntary dues deduction provided prior to the execution of this Agreement. A member will be able to revoke his or her authorization only between September 1 and September 15 of any school year.

The Union shall select a single payroll dues deduction and agency fee arrangement for each contract year to cover all Union members, and shall inform the District payroll office of the arrangements at least three calendar weeks prior to the implementation date.

The right to dues and agency fee deduction shall be extended to the recognized bargaining agent only.

1:3 All members of the bargaining unit will be provided all the wages and benefits provided under this agreement, and shall retain all rights guaranteed to them under the provisions of N.H. RSA 273-A.

2:2 The term "Principal", as used in this Agreement, means the responsible administrative head of a respective school.

2:3 The term "Teachers' Union Representative", as used in this Agreement, shall mean any duly authorized designee of the Federation.

In the event of retirement, resignation or discharge, the employee shall lose all seniority. The parties agree that for purposes of layoff, reduction in force, and transfers, it is understood that a para-educator's total years of seniority in all para classifications – designated areas shall begin with the District’s original date of hire as a para-educator regardless of an individual’s movement within the District or classification system.

ARTICLE III
GRIEVANCE PROCEDURE

Grievance and Arbitration Procedures

3:1 The purpose of this Article is to establish a procedure for the settlement of grievances which involve an alleged violation of a term or provision of the existing contract. All such grievances will be handled as provided in this Article.

3:2 No grievance shall be considered under the grievance procedure unless it is presented as provided below. A grievance must be referred to the next step as provided below or the grievance will be considered settled on the basis of the last answer given. If a grievance is once settled in any of the following steps, it shall be considered closed and shall not thereafter be subject to the grievance procedure or to arbitration.

3:2.1 All grievances over which a Principal has no jurisdiction shall be submitted directly to the Superintendent within thirty (30) school days after the aggrieved party knows or should have known of the act or condition on which the grievance is based. Submission at any level within that thirty (30) school day period shall establish the timeliness of the grievance.

3:3 Step 1

Any employee who has a grievance shall, with or without the Union Representative, discuss it first with the employee's Principal in an attempt to resolve the matter at that level.

3:4 Step 2

If the grievance is not settled within ten (10) school days after presentation at Step 1, the grievant shall, within ten (10) school days thereafter, set forth the grievance in writing to the Principal, specifying:

(a) The specific nature of the grievance and date it occurred;
(b) The provision(s) of this Agreement which is alleged to have been violated;
(c) The nature and extent of the injury, loss or inconvenience;
(d) The results of previous discussions;
(e) The basis for dissatisfaction with the decisions previously rendered;
(f) The remedy which is desired.

The grievance shall be signed by the aggrieved employee and Union Representative before being presented to the Principal in Step 2.

3:5 If the grievance is not received in writing by the Principal in Step 2 within thirty (30) school days after the aggrieved party knows or should have known of the act or condition on which the grievance is based, the grievance will be considered as waived. An alleged waiver will be subject to arbitration pursuant to the provisions of this Article. The Principal shall act upon the grievance within five (5) school days after receipt at Step 2 and shall communicate the decision in writing to the UNION.

3:6 Step 3
If the issue is not resolved after Step 2, the grievance shall, within five (5) school days after receipt of the Principal's decision be submitted to the Superintendent of Schools. The Superintendent shall act upon the grievance within a period not to exceed ten (10) school days and shall communicate the decision in writing to the Union.

3:7 **Step 4**

The UNION, no later than ten (10) school days after receipt of the Superintendent's decision, may appeal the Superintendent's decision to the School BOARD. The Appeal to the BOARD must be made in writing reciting the matter submitted to the Superintendent and the basis for dissatisfaction with the decision rendered by the Superintendent. The BOARD shall act upon the Appeal within a period not to exceed fifteen (15) school days. The BOARD shall communicate its decision in writing to the UNION.

3:8 Failure at any step of this procedure by the Administration to communicate a decision on a grievance within the specified time limits shall permit an appeal of the grievance to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

3:9 It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the BOARD until such grievance and any effect thereof shall have been fully determined.

3:10 **Arbitration**

If a grievance involving the interpretation or application of a specific provision of this Agreement has not been settled after being fully processed through the grievance procedure above, then the UNION may submit such grievance to arbitration by giving written notice thereof to the BOARD not later than two (2) school weeks after the completion of Step 4. The grievance shall be considered as having been settled in Step 4, unless it is so submitted to arbitration within such time limit.

3:11 Aggrieved persons may be represented at all stages of the grievance procedure by themselves and by a representative selected or approved by the Nashua Teachers' Union.

3:12 When a grievant in Step 1 is not represented by the Nashua Teachers' Union in the processing of a grievance, the Nashua Teachers' Union shall, at the time of submission of the grievance at Step 2, have the right to be present and present its position, in writing, at all meetings with the grievant held concerning the grievance and shall receive a copy of decisions rendered.

3:13 The choice of the Arbitrator shall be by Agreement of the parties. However, if such agreement has not been reached within one (1) school week after the receipt of such written notice submitting the grievance to arbitration, the grievance may be referred by the UNION to the American Arbitration Association for the selection of an arbitrator in accordance with the rules then obtaining, of said Association, applicable to labor arbitrations. Any arbitration hereunder shall be conducted in accordance with such rules, subject to the provisions of this Agreement.

3:14 Each grievance shall be separately processed in any arbitration proceeding under this Article.

3:15 There shall be no right to arbitration to obtain, and no arbitrator shall have any power to award or determine, any change in, modification or alteration of, addition to, or subtraction from, any of the terms of this Agreement.

3:16 The Arbitrator selected will confer with representatives of the BOARD and the UNION. The arbitrator will set forth findings, in writing, and submit them to the BOARD and the UNION.

3:17 The decision of the arbitrator, if made in accordance with the arbitrator's jurisdiction and authority under this Agreement, will be accepted as final and binding by both parties.

3:18 The BOARD agrees that it will apply to all substantially similar situations the decision of an arbitrator sustaining a grievance and the UNION agrees that it will not bring or continue, and that it will not represent any employee in any grievance which is substantially similar to a grievance denied by the decision of an arbitrator.

3:19 The arbitrator's fee will be shared equally by both parties to the dispute.
3:20 **Released Time**

Any employee who has filed a grievance in accordance with the provisions of this contract will be granted release time, as needed without loss of pay or loss of personal days, for attendance at required grievance and/or arbitration hearings. The same privilege shall be granted to one UNION representative who attends said hearings with the employee.

3:21 **Summer Timeliness**

In the event the processing of a grievance under Article III extends beyond the completion of the pupil school year, all time periods, referred to in the above then remaining, shall be doubled and the reference shall be to business days or business weeks during that period between the end of one pupil school year and the beginning of the pupil school year next following.

**ARTICLE IV**

Any para-educator who, on the date of the signing of this Agreement, is working a regular schedule of 1080 or more hours per school year, and, whose regular work schedule is involuntarily reduced below 1080 hours per school year, shall continue to receive those specific benefits set forth in writing in this Agreement to which that para-educator would have been entitled had he or she continued to have a regular work schedule of 1080 or more hours per school year.

8. Starting July 1, 2013, Para-educators shall be compensated to work additional time of one half-hour (30 minutes) per week to catch-up on Medicaid paperwork and have access to an online computer for work-related matters. The parties will mutually agree on the scheduling for this additional time. The para-educator at his/her discretion may complete these tasks in two (2) 15 minute increments or one (1) 30 minute increment per week. Medicaid forms should be filled out within one (1) week.

9. In the event a para-educator is required to participate in a field trip or any other activity which extends beyond the regular work day, it is understood that the para-educator shall be compensated for all hours worked.

7:6 Discrimination

There shall be no discrimination against any employee because of the employee's Union activities or because of the employee's membership in the Union, or because of the filing of any grievance under this contract.

7:7 Duties and Job Descriptions

1. Job descriptions shall be provided for all para-educator positions as designated in Appendix C.
The Union shall be provided a draft copy of a job description for any new para-educator position or any modified job description for an existing para-educator position. The Union shall be provided the opportunity to comment on new or modified para-educator job descriptions prior to their implementation. A copy of changes in para-educator job descriptions shall be furnished to the Union and those para-educators affected. A District Wide Special Education intensive needs para-professional is defined as one whose duties generally include but are not limited to toileting, lifting and transferring students who are non-ambulatory, feeding via g-tubes or other specialized medical needs or are providing consistent or constant intensive behavioral direction or redirection through an individual behavioral intervention plan and/or providing consistent or constant one on one attention or supervision.

2. In the event a para-educator substitutes or supervises for a teacher who is absent from the classroom in excess of fifty minutes or more in a school day one complete period at the secondary level or one continuous hour at the elementary level, such para-educator shall receive for the time so worked the per-diem substitute teacher rate of pay or the para-educator's rate of pay, whichever is greater plus an amount based on a daily stipend in the amount of $35.00. The per-diem substitute teacher rate of pay daily stipend will be prorated based on seven periods at the secondary level, or the para-educator's normal work hours at the elementary level.

3. Any para-educator may be required to work with any student within their school. However, an instructional para-educator will not be required to complete the types of duties outlined above in Article 7:7-1 that are required of an intensive needs para-educator. The District has the right to reassign a para-educator during the school year or from one year to another which may result in a change of classification from district wide intensive needs to instructional classification, commensurate with a change in pay except that in the case of an involuntary transfer that results in a reduction of pay, the pay change shall not occur until the start of the following school year. A thirty (30) day calendar notice shall be provided for a permanent reassignment during the school year. Except in cases of emergency, no para-educator, other than a health para-educator, shall be required to assist a nurse or to transport a student who is ill or injured.

4. The Board agrees to indemnify any employee transporting a student for health reasons.

5. Para-professionals are expected to carry out their responsibilities under the direction of the classroom teacher.

7:8 Rules, Regulations and Policies

1. There shall be a complete copy of the Rules, Regulations and Policies of the Board of Education, made available for access at each school building with new items added as they are promulgated by the BOARD.

2. It is agreed that all Building Representatives now have a complete copy of the Rules, Regulations and Policies of the Board of Education, and the Administration shall provide them with all new items as they are added.

7:9 Tuberculosis Testing

Consistent with the current advisory of the State of New Hampshire, Department of Health and Welfare, Division of Public Health Services, employees who have met the requirement of the Board's pre-employment tuberculosis screening will not be required to have further screening while in the continuous employ of the District. All employees shall comply with future advisories on tuberculosis screening issued by the Division of Public Health Services. The Board of Education will provide, through its own agents at no expense to the employee, any screening services which may be required by the State for employees after their employment with the District, but will not provide those services to prospective employees.

7:10 All duties required to be performed by health para-educators will be in accordance with RSA Ch. 200.

7:11 Health and Safety

The Board agrees to provide a safe and healthy working environment. There shall be Union Representation on the Joint Loss Safety Committee. The Committee will be utilized to address any such concerns.
ARTICLE VIII

8:1 Transfers

1. Employees who desire a change in duty or building assignment may file a written statement of such desire with the Superintendent not later than June 21 of the school year preceding the school year for which the change is desired. Such request may be renewed, in writing, each year, if it is not granted on initial application.

2. Before an employee is assigned or transferred to a school, the Principal of the school in question will be consulted regarding said assignment or transfer.

3. Notice of transfer or of non-transfer will be given to the employee as soon as practicable and under normal circumstances not later than August 1.

4. In making transfers and filling new positions, a candidate's area of competence, quality of performance, the needs of the system, seniority and a candidate's wishes will be considered. An employee who has been transferred and objects to the transfer may request a meeting of the employee, Superintendent or designee and a Union representative. The Superintendent or designee will meet with the employee and/or Union representative to discuss the transfer.

8:2 Vacancy List

A list of known vacancies for the following school year will be posted annually by June 11. The listing will include, to the extent known, new positions, and openings occasioned by the retirement/resignation of personnel. Para-educators desiring to be considered for such positions will submit a letter to the Superintendent within ten (10) calendar days of the posting date.

New positions authorized after the aforementioned posting will be posted for five (5) calendar days. Para-educators desiring to be considered for such positions will submit a letter to the Superintendent within five (5) calendar days of the posting date.

Nothing contained in this section precludes additional listings, partial or total, at other times during the year. A copy of all listings will be sent to the Union office.

8:3 Promotions

1. Any para-educator who wishes to be considered for appointment to a position of teacher, librarian, guidance counselor, or another promotional position shall, before September 15 and April 20 of each school year, file, in writing, with the Director of Human Resources, the following information:
   a. The areas for which the para-educator holds a valid New Hampshire certificate;
   b. The positions, including the grade and/or subject area, for which the para-educator wishes to be considered;
   c. Evidence of certification and HQP status, along with a cover letter resume and copies of transcripts.

2. In the event a vacancy occurs during the school year in the position of teacher, librarian, guidance counselor, or other promotional position within the District, the District will give consideration to those para-educators who have filed the information in Article 8:3.1 above, and who are qualified/certified for the promotional position which is vacant.

8:4 Qualifications

In making promotions, a candidate's area of competence, quality of performance within and outside the system, the needs of the system, seniority, and a candidate's wishes will be considered.
Probation and Transfer Rights

1. A member of the Bargaining Unit who has successfully completed the initial probationary period and who is transferred or promoted to a different position of employment within or outside the Bargaining Unit shall be obliged to serve an additional probationary period, if any, associated with the new position, provided, however, that the employee shall be entitled to any benefits associated with the position immediately upon assuming the position.

2. A member of the Bargaining Unit, who has successfully completed the initial probationary period and who is transferred or promoted to a different position of employment within or outside the Bargaining Unit, shall retain all accumulations of leave accrued while a member of the Bargaining Unit, provided that such accruals shall not exceed the maximum amount of accruals that are allowed to a person holding the position to which the employee is transferred or promoted. In the event there is an excess of accruals, the amount of accruals allowed to be retained shall be the same as the maximum amount of accruals allowed to a person holding the position to which the employee is transferred or promoted. In the event the amount of accruals is less than the amount allowed to a person holding the position to which the employee is transferred or promoted, the employee may continue to accrue such benefits as are allowed to a person holding that position up to the maximum amount allowed for that position.

3. In the event a present member of the Bargaining Unit is transferred or promoted to a position within the Bargaining Unit, the District, at its sole discretion, may, within 30 school days from the effective date of the transfer or promotion, transfer the employee to the employee's former position or to another position which has the same grade and pay rate as the position from which the employee was first transferred or promoted. The thirty (30) day period may be extended as provided in 8:5.4.2 below. Transfers under this paragraph 8:5.3 shall not be grievable.

4. a. All newly hired personnel, and all employees assuming a new position, shall be obliged to serve a probationary period.

b. The probationary period for all newly hired personnel will be ninety (90) calendar days with a written evaluation completed by the end of this period. The probationary period for all employees assuming a new position within this Bargaining Unit shall be forty-five (45) calendar days of active employment as defined herein. The District may extend the probationary period up to the amount of authorized paid leave or sick leave taken by a probationary employee.

c. The District may terminate a newly hired person from employment within the ninety (90) calendar day probationary period of active employment. Termination's under this Paragraph 8:5.4.3 shall not be grievable.

d. A newly hired probationary employee who is transferred or promoted to a different position within or outside the Bargaining Unit, prior to completing the initial ninety (90) calendar day probationary period, shall complete the entire probationary period, if any, associated with the position to which the employee is transferred or promoted, and shall be entitled to benefits, if eligible, notwithstanding the fact that active employment may have been served in more than one position.

ARTICLE IX
UNION REPRESENTATIVES

9:1 Official List of Nashua Teachers Union Representatives

The UNION shall furnish the BOARD with a list of its officers and authorized building representatives, and shall, as soon as possible, notify the BOARD, in writing, of any changes. No UNION Representative shall be recognized by the BOARD except those designated in writing by the UNION.

ARTICLE X
UNION PRIVILEGES AND RESPONSIBILITIES

10:2 Recognition of Local Organization Representative

The Principal shall recognize the UNION building representative as the official representative of the local organization in the schools.

10:3 Distribution of Materials - Mail Boxes

Officers or officials of recognized employee organizations shall have the right to reasonably use the school mail boxes for distribution of organizational material provided such materials are in good taste and provided that such materials shall not include campaign organization material related to local, state, or national political matters. Each school shall have a single mail box for the use of all para-educators in the building.

10:4 School Meetings

The authorized representative of the UNION shall have the right to schedule UNION meetings in the building before or after regular class hours, and during lunch time of the employees involved. Such meeting shall not in any manner disrupt the normal operation of the school and shall be subject to prior approval of the building Principal.

10:5 No Local Organization Activity on School Time

Except as provided herein, the UNION agrees that no employee will engage in Union activity while on duty.

10:6 Protection of Individual and Group Rights

Nothing contained herein shall be construed to prevent the BOARD, a member of the BOARD or its designated representatives from meeting with any employee for expression of the employee's views. In the area of this Agreement, and for the term hereof, no changes or modifications shall be made except through negotiations with the UNION. Nothing contained herein shall be construed to permit an organization, other than the UNION, to appear in an official capacity in the processing of a grievance. Nothing contained herein shall be construed to prevent any employee from informally discussing any dispute with an immediate superior or processing a grievance on the employee's own behalf in accordance with the Grievance Procedure heretofore set forth in Article III.

10:7 Information

1. The BOARD shall make available to the UNION, upon its request, any and all available information in the public domain, such as statistics and records relevant to negotiations, or necessary for the proper enforcement of the terms of this Agreement.
2. If the public agenda of a BOARD meeting has been prepared twenty-four (24) hours in advance of such BOARD meeting, it shall be made available to the President of the UNION.
3. A copy of the minutes of all BOARD meetings shall be made available to the President of the UNION.

10:8 Faculty Bulletin Board Use

The UNION shall be permitted to post UNION related notices and other materials on the faculty bulletin board provided the notices are in good taste and provided that such materials shall not include campaign organization material related to local, state, or national political matters.

10:9 Leave For Union Business

A. The President of the Union or his/her designee may be granted time off with pay for the purpose of attending NTU business meetings, training sessions, or attending legislative hearings or sessions. The total number of days used for this purpose shall not annually exceed five (5) days. Notice shall be provided to the Principal at least five (5) school days in advance of such absence. The days must be used in full-day increments.
B. The President of the UNION, upon request, shall be granted either a reduced para-educator schedule of 50% that of a full-time para-educator, or a leave of absence. A request for such reduced schedule, or leave of absence, must be made no later than June 15 of the school year prior to the school year for which the request is effective.

Arrangements for the reduced para-educator schedule are to be made between the Union and the District Administration and approved by the Superintendent.

C. In the case of the reduced para-educator schedule, salary and benefits paid by the District shall be in accordance with the provisions for part-time para-educators.

For the first two (2) consecutive years of a reduced para-educator schedule, the President, for the purpose of seniority, will receive full-year credit annually. After the first two (2) consecutive years, the President will be credited for seniority on the same basis as part-time para-educators.

D. In the case of a leave of absence, the District shall not be liable for any salary or benefit costs. Insurances may be extended at the President's expense to the extent mandated by State and Federal law. The President, at the President's expense, may maintain enrollment in the City of Nashua's Group Health Insurance for the first two (2) years of a leave of absence, if so allowed by the insurance carrier.

For the first two (2) consecutive years of a leave of absence, the President shall retain all rights to the para-educator position the President formerly held. The provisions of Articles 7:1 Employment Status and 8:1 Transfers shall apply to the extent they may impact on said rights. Upon a request to return from a leave of absence which extends beyond two (2) consecutive years, the President shall be assigned the next available position for which the President is certified and qualified.

The President shall continue to accrue seniority for the first two (2) consecutive years of a leave of absence pursuant to the provisions of this article.

The District shall have no obligation to make a contribution to the New Hampshire Retirement System on behalf of the President while on leave, unless a contribution is mandated by the System or by other provisions of State Law.

10:10 AFT Conference Attendance

Up to two (2) days paid professional leave shall be granted to one (1) employee or one (1) day each to two (2) employees as designated by the President of the Union for the purpose of attending The American Federation of Teachers Annual Para-educator and School-Related Personnel Conference, at no cost to the District. In order to share information from the Conference, the employee so designated shall conduct a workshop, or prepare a report to be distributed, or other equivalent activity designed to communicate the information to other para-educators.

ARTICLE XI
RESOLUTION OF DIFFERENCES BY PEACEFUL MEANS

The Nashua Teachers Union and the School Board agree that differences between the parties shall be settled by peaceful means as provided within this Agreement. The Nashua Teachers' Union, in consideration of the value of this Agreement and its terms and conditions, will not engage in, instigate or condone any strike, work stoppage or any concerted refusal to perform normal work duties on the part of any employee covered by this Agreement for the duration of this Agreement.

ARTICLE XII
CONFORMITY TO LAW AND SAVING CLAUSE

If any provision of this Agreement is or shall at any time be determined contrary to law by a court of competent jurisdiction, then such provision shall not be applicable or performed or enforced except to the extent permitted by law. In the event that any provision of this Agreement is or shall at any time be determined to be contrary to law by a court of competent jurisdiction, all other provisions of this Agreement shall continue in effect.
ARTICLE XIII
MISCELLANEOUS PROVISIONS

These meetings shall be held at a mutually agreeable time and place. The UNION President and the Superintendent shall determine the representative who will attend the meeting for their respective parties. Whenever possible, the parties should exchange notice of the subject matters they wish to discuss.

The UNION recognizes the following responsibilities, rights, authority, and duties of the Nashua School Board, except as they are modified by provision of this Agreement. The BOARD hereby retains and reserves unto itself, without limitations, all power, rights, authority, duties and responsibilities conferred upon and vested in it by the Law and Constitution of the State of New Hampshire, and of the Charter of the City of Nashua:

1. To the executive management and administrative control of the School System and its properties and facilities;

4. To decide upon the basic means and methods of instruction and the duties, responsibilities, and assignments of employees with respect thereto, and with respect to administrative, instructional and non-instructional activities, and the terms and conditions of employment.

13:5 Being a mutual Agreement, this instrument may be amended at any time by mutual consent.

13:6 The Agreement expressed herein, in writing, constitutes the entire Agreement between the parties, and no oral statement shall add to or supersede any of its provisions.

ARTICLE XIV
DURATION OF AGREEMENT

14:1 The provisions of this Agreement, unless otherwise specified, shall become effective as of July 1, 2014 and shall continue and remain in full force and effect to and including June 30, 2015, when it shall expire, unless an extension is agreed to by both parties and expressed in writing prior to such date. The BOARD and the UNION agree to begin negotiations of a successor Agreement concerning wages, hours, and other terms and conditions of employment no later than January 31, 2014 November 15, 2014.

For 2014-15 No employees will move on the step scale.

Because steps have been frozen in the past and in this current contract, the "Credited years of experience" on this salary scale is relevant only to the placement of new employees on the scale. Administration will continue to track credited years of experience such that new employees will not be hired at salaries greater than those of current employees with the same credited years of experience. Reconciliation of the credited years with any step schedule will have to take place in future contracts.

No newly hired employee shall be placed above a current employee with equivalent experience.

1:2 All employees shall as a condition of continued employment, join the exclusive bargaining agent organization or pay to the exclusive bargaining agent organization a service fee in an amount determined by the Union. The Board shall deduct the amount of service fee as certified by the Union. Upon individually written authorization by each employee and approval by the Union President, the District agrees to deduct from each employee so authorized, the current monthly union dues or agency fee, as certified to the District by the Treasurer of the Union, and deliver the same to the Union Treasurer. Said deduction is to be made weekly, however, if any member has no check coming or the check is not large enough to satisfy the assignments, then and in that event no collection will be made from said member for that week. A member will be able to revoke his or her authorization only between September 1 and September 15 of any school year.

The Union shall select a single payroll dues deduction and agency fee arrangement for each contract year to cover all Union members, and shall inform the District payroll office of the arrangements at least three calendar weeks prior to the implementation date.

The right to dues and agency fee deduction shall be extended to the recognized bargaining agent only.

ARTICLE III
GRIEVANCE PROCEDURE

Grievance and Arbitration Procedures

3:1 The purpose of this Article is to establish a procedure for the settlement of grievances which involve an alleged violation of a term or provision of the existing contract. All such grievances will be handled as provided in this Article.

3:2 No grievance shall be considered under the grievance procedure unless it is presented as provided below. A grievance must be referred to the next step as provided below or the grievance will be considered settled on the basis of the last answer given. If a grievance is once settled in any of the following steps, it shall be considered closed and shall not thereafter be subject to the grievance procedure or to arbitration.

3:2.1 All grievances over which a Principal has no jurisdiction shall be submitted directly to the Superintendent within thirty (30) school days after the aggrieved party knows or should have known of the act or condition on which the grievance is based. Submission at any level within that thirty (30) school day period shall establish the timeliness of the grievance.

3:3 Step 1

Any employee who has a grievance shall, with or without the Union Representative, discuss it first with the employee's Principal in an attempt to resolve the matter at that level.

3:4 Step 2

If the grievance is not settled within ten (10) school days after presentation at Step 1, the grievant shall, within ten (10) school days thereafter, set forth the grievance in writing to the Principal, specifying:

(a) The specific nature of the grievance and date it occurred;
(b) The provision(s) of this Agreement which is alleged to have been violated;
(c) The nature and extent of the injury, loss or inconvenience;
(d) The results of previous discussions;
(e) The basis for dissatisfaction with the decisions previously rendered;
(f) The remedy which is desired.

The grievance shall be signed by the aggrieved employee and Union Representative before being presented to the Principal in Step 2.

3:5 If the grievance is not received in writing by the Principal in Step 2 within thirty (30) school days after the aggrieved party knows or should have known of the act or condition on which the grievance is based, the grievance will be considered as waived. An alleged waiver will be subject to arbitration pursuant to the provisions of this Article. The Principal shall act upon the grievance within five (5) school days after receipt at Step 2 and shall communicate the decision in writing to the UNION.
3:6 **Step 3**

If the issue is not resolved after Step 2, the grievance shall, within five (5) school days after receipt of the Principal's decision be submitted to the Superintendent of Schools. The Superintendent shall act upon the grievance within a period not to exceed ten (10) school days and shall communicate the decision in writing to the Union.

3:7 **Step 4**

The UNION, no later than ten (10) school days after receipt of the Superintendent's decision, may appeal the Superintendent's decision to the School BOARD. The Appeal to the BOARD must be made in writing reciting the matter submitted to the Superintendent and the basis for dissatisfaction with the decision rendered by the Superintendent. The BOARD shall act upon the Appeal within a period not to exceed fifteen (15) school days. The BOARD shall communicate its decision in writing to the UNION.

3:8 Failure at any step of this procedure by the Administration to communicate a decision on a grievance within the specified time limits shall permit an appeal of the grievance to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

3:9 It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the BOARD until such grievance and any effect thereof shall have been fully determined.

3:10 **Arbitration**

If a grievance involving the interpretation or application of a specific provision of this Agreement has not been settled after being fully processed through the grievance procedure above, then the UNION may submit such grievance to arbitration by giving written notice thereof to the BOARD not later than two (2) school weeks after the completion of Step 4. The grievance shall be considered as having been settled in Step 4, unless it is so submitted to arbitration within such time limit.

3:11 Aggrieved persons may be represented at all stages of the grievance procedure by themselves and by a representative selected or approved by the Nashua Teachers' Union.

3:12 When a grievant in Step 1 is not represented by the Nashua Teachers' Union in the processing of a grievance, the Nashua Teachers' Union shall, at the time of submission of the grievance at Step 2, have the right to be present and present its position, in writing, at all meetings with the grievant held concerning the grievance and shall receive a copy of decisions rendered.

3:13 The choice of the Arbitrator shall be by Agreement of the parties. However, if such agreement has not been reached within one (1) school week after the receipt of such written notice submitting the grievance to arbitration, the grievance may be referred by the UNION to the American Arbitration Association for the selection of an arbitrator in accordance with the rules then obtaining, of said Association, applicable to labor arbitrations. Any arbitration hereunder shall be conducted in accordance with such rules, subject to the provisions of this Agreement.

3:14 Each grievance shall be separately processed in any arbitration proceeding under this Article.

3:15 There shall be no right to arbitration to obtain, and no arbitrator shall have any power to award or determine, any change in, modification or alteration of, addition to, or subtraction from, any of the terms of this Agreement.

3:16 The Arbitrator selected will confer with representatives of the BOARD and the UNION. The arbitrator will set forth findings, in writing, and submit them to the BOARD and the UNION.

3:17 The decision of the arbitrator, if made in accordance with the arbitrator's jurisdiction and authority under this Agreement, will be accepted as final and binding by both parties.

3:18 The BOARD agrees that it will apply to all substantially similar situations the decision of an arbitrator sustaining a grievance and the UNION agrees that it will not bring or continue, and that it will not represent any employee in any grievance which is substantially similar to a grievance denied by the decision of an arbitrator.
The arbitrator's fee will be shared equally by both parties to the dispute.

**Released Time**

Any employee who has filed a grievance in accordance with the provisions of this contract will be granted release time, as needed without loss of pay or loss of personal days, for attendance at required grievance and/or arbitration hearings. The same privilege shall be granted to one UNION representative who attends said hearings with the employee.

**Summer Timeliness**

In the event the processing of a grievance under Article III extends beyond the completion of the pupil school year, all time periods, referred to in the above then remaining, shall be doubled and the reference shall be to business days or business weeks during that period between the end of one pupil school year and the beginning of the pupil school year next following.

(c) Absences under this provision shall be charged to the employee’s accumulated sick leave on the basis of one-half day sick leave deducted for each day of absence;

(d) This supplemental benefit shall cease upon the exhaustion of the employee’s sick leave entitlements;

Should the Union determine that the proposed plan is not comparable, the grievance shall not be subject to the grievance procedure and shall be submitted directly for arbitration no later than thirty (30) days after the Union is notified of the proposed change to the comparable plan. The grievance shall be heard in an expedited manner. The decision of the arbitrator shall be binding on both parties.

For the duration of this Agreement, either party to the Agreement may request that a joint labor/management committee be convened to consider the performance of the aforementioned plans and any changes thereto.

The Nashua School Board and the Nashua Teachers' Union mutually agree that the Unit will actively and in good faith pursue with the City of Nashua, alternative models of health care plans, policies, and structure that meet both the City's goal of reducing and/or containing health insurance costs and that meet the health care needs of City employees.

1. Para-educators who work a regular schedule of 1080 or more hours per school year shall be entitled to sick leave of 10 days without loss of pay. Each eligible para-educator's sick leave shall be accumulative to a total of 75 days. Each eligible para-educator having worked at least one complete school year in the Nashua School District may maintain sick leave and carry-over their accrued time. Should the para-educator move from the status of a para-educator having worked 1080 or more hours per previous school year, to a para-educator position of less than 1080 hours per school year, then return to a para-educator position of 1080 or more hours per school year. Upon returning to a para-educator position of 1080 or more hours per school year without a break in service, the para-educator may regain the accrued sick leave time which had been earned prior to moving to a para-educator position of less than 1080 hours per school year.

Para-educators who work a regular schedule of less than 1080 hours per school year shall be entitled to sick leave of 5 days equivalent of their current daily working hours without loss of pay if they work at least 4 days per week. Para-educators working 3 or less days per week receive a pro-rated number of sick days (3 days=4 sick days, 2 days=3 sick days, 1 day=2 sick days.) Each eligible para-educator's sick leave shall be accumulative to a total of 10 days. Each eligible para-educator having worked at least one complete school year in the Nashua School District may maintain sick leave and carry-over their accrued time. If the para-educator moves to a position of 1080 or more hours the sick leave shall be carried into the new position.

2. No sick leave payments shall be applied retroactively for unpaid leave taken during the probationary period.

3. The District agrees that each employee entitled to annual sick leave shall be notified at the beginning of each school year of the employee's accumulation to date. Balances provided on the employee's pay stub shall constitute notice.

4. Sick leave shall be allowed only in the case of necessity and actual sickness or disability of the employee or the employee's children or spouse or domestic partner who reside with the employee, or for the employee to take physical and dental examinations or other sickness prevention measures. 5. An employee must notify the Principal prior to starting time, in order to draw sick leave pay. In order to qualify for paid sick leave of four (4) consecutive days or more, the employee may be required to present a doctor's certificate or other satisfactory evidence to the Principal or supervisor, indicating the employee was unable to work due to sickness or injury during the period claimed.
6. The District may terminate any employee absent from work due to illness after exhaustion of benefits under this Article, exhaustion of authorized leave, or after three (3) months of continuous absence.

7. In the event a newly hired employee leaves the employ of the District within ten (10) months of being hired, and has taken sick leave before leaving the District's employ, that employee shall return to the District all pay received for sick leave taken in excess of those days which bear the same ratio to the annual sick leave authorized as the number of full months worked by the employee bears to ten.

8. Payment to employees working 1080 hours or more per school year for time lost by reason of sick leave shall be made on the basis of the number of hours in the employee's regular daily work schedule. A deduction of one day from any sick leave to which the employee is entitled shall be made for each day of sick leave taken.

6.2 Sick Leave Bank

1. A Sick Leave Bank shall be maintained in accordance with this article for participating members who have exhausted their individual accrued sick leave as a result of a serious extended illness, incapacitating accidents.

2. Contributions must be made within thirty (30) calendar days from the date the person begins employment or within thirty (30) calendars days of a call for replenishment of the Bank. The initial contribution of participating members shall be one (1) day, with subsequent contributions of one (1) day for each call for replenishment. All contributions shall be voluntary.

3. A call for replenishment shall be made at any point in time when the balance of days in the Sick Leave Bank account falls below one (1) day times \( \frac{3}{4} \) the number of members in the bank or 120 days, whichever is lower.

4. The operation of the Bank and withdrawals from it shall be governed by a Committee of two (2) members selected by the Union and one administrator selected by the Superintendent. The Committee shall establish such rules and operating procedures as may be necessary to administer the Bank. In considering requests for withdrawal from the Bank, the committee may require substantiating medical documents, and in all cases, the decision(s) rendered by the Committee shall be final and binding.

5. A member may withdraw sick days from the Bank only after:

   1) exhausting his or her individual accrued sick leave;
   2) receiving the approval of the Committee.

However, withdrawals shall be retroactive to the first working day following the exhaustion of accrued sick leave benefits.

   (e) Compelling personal business that cannot be accomplished outside of the school day.

2. All leaves of absence referred to in Section 6.3 are subject to the following conditions:

   (a) Except in emergency situations, at least forty-eight (48) hours notice shall be given in requesting a personal day through the building principal. Lacking such notice the absence will be considered unauthorized and the para-educator taking unauthorized leave will not be paid;
(b) The Principal may, if necessary and for valid reason, withhold approval of requests for personal leave;
(c) Para-educators requesting a personal day immediately preceding or following a holiday or vacation period must provide the Principal, or his/her designee, with the specific reason the personal day is being requested. No paid personal days will be granted for the aforementioned days for the exclusive purpose of extending the holiday or vacation period, or if the reason for which the day is requested could be scheduled on another day.

3. Personal leave days which are not used in any contract year will be added to the employee's accumulated sick leave balance as provided for in Section 6:1 of this agreement.

4. Para-educators utilizing personal leave on an early release day shall receive the employee’s regular rate of pay based on the employee’s regular work day.

For 2014-15, no employees will move on the step scale.

Because steps have been frozen in the past and in this current contract, the "Credited years of experience" on this salary scale is relevant only to the placement of new employees on the scale. Administration will continue to track credited years of experience such that new employees will not be hired at salaries greater than those of current employees with the same credited years of experience. Reconciliation of the credited years with any step schedule will have to take place in future contracts.

No newly hired employee shall be placed above a current employee with equivalent experience.
