EXTENDING CONGRATULATIONS TO THE GRADUATES OF THE SECOND NASHUA YOUTH AMBASSADORS PROGRAM

CITY OF NASHUA

In the Year Two Thousand and Fifteen

WHEREAS, the Ethnic Awareness Committee was established “to facilitate communication between the ethnic community and city government” and to encourage understanding and appreciation of ethnic diversity in our City.

WHEREAS, the Ethnic Awareness Committee recognized that the City, its ethnic communities, city government, and community organizations would benefit from a program designed to educate youth among the city’s many diverse populations regarding the roles of city government and community organizations and organize those youths so they can prepare to be future community leaders.

WHEREAS, the Ethnic Awareness Committee established the Nashua Youth Ambassadors Program to identify and engage diverse young leaders, to empower young members of the community to engage in community activities, and to demonstrate that they can make a difference in building safer and stronger neighborhoods.

WHEREAS, the Nashua Youth Ambassadors Program identifies and engages young leaders between the ages of 13 and 21 who live in Nashua and represent diverse populations. These young leaders participate in an eight week program that introduces them to local city and state government, community policing, local non-profit organizations providing services in their local community, and organizations that promote local business and finance.

NOW, THEREFORE BE IT RESOLVED by the Mayor and Board of Aldermen of the City of Nashua that the young leaders who completed the Nashua Youth Ambassadors Program 2015-2016 are recognized as future leaders in the Nashua community and applauded for their participation in the program.
