

Main Street Sidewalk Update: July 2, 2015

Good Afternoon,

During the week of June 29, work continued on the Main Street sidewalk project on Block 4, from Eldridge Street to East Pearl Street, and on Block 5, from Eldridge Street to East Hollis Street.

A granite planter was installed at Main Street and East Pearl Street. Pedestrian crosswalk lights at East Pearl Street and Main Street were replaced. Curb line was paved on Block 4. Concrete pads were formed on Block 4 starting at East Pearl Street and working toward Eldridge Street. Two light pole foundations were installed, and one street light was installed at East Pearl Street. Two tree wells were installed on Block 4. Brickwork continued.

Next week, concrete pads will be formed and poured on Block 4. Plantings and brickwork will continue.

Our schedule is tentative and subject to change due to weather or unforeseen circumstances. As always, we continue to do our best to limit obstruction of parking and impacts to businesses. We appreciate your patience and support. If you have any questions, don't hesitate to contact Andy Patrician, Operations Manager, on site, or at 589-3140. Have a great weekend. Lisa
