

## **Main Street Sidewalk Update: July 10, 2015**

Good Afternoon,

During the week of July 6, work continued on the Main Street sidewalk project on Block 4, from Eldridge Street to East Pearl Street, and on Block 5, from Eldridge Street to East Hollis Street.

Nine concrete pads were formed and poured on Block 4. Brickwork continued.

Next week, a planter will be installed near 212 Main St. Concrete pads will be formed and poured on Block 4. Plantings and brickwork will continue.

Our schedule is tentative and subject to change due to weather or unforeseen circumstances. As always, we continue to do our best to limit obstruction of parking and impacts to businesses. We appreciate your patience and support. If you have any questions, don't hesitate to contact Andy Patrician, Operations Manager, on site, or at 589-3140. Have a great weekend.
