

Main Street Sidewalk Update: July 17, 2015

Good Afternoon,

During the week of July 13, work continued on the Main Street sidewalk project on Block 4, from Eldridge Street to East Pearl Street, and on Block 5, from Eldridge Street to East Hollis Street.

Twelve concrete pads were formed and poured on Block 4. A planter was installed near 212 Main St. Plantings and brickwork will continue.

Next week we will continue to form and pour concrete pads on Block 4. Plantings and brickwork will continue.

Our schedule is tentative and subject to change due to weather or unforeseen circumstances. As always, we continue to do our best to limit obstruction of parking and impacts to businesses. We appreciate your patience and support. If you have any questions, don't hesitate to contact Andy Patrician, Operations Manager, on site, or at 589-3140. Have a great weekend. Lisa
