

Main Street Sidewalk Update: July 24, 2015

Good Afternoon,

During the week of July 20, work continued on the Main Street sidewalk project on Block 4, from Eldridge Street to East Pearl Street, and on Block 5, from Eldridge Street to East Hollis Street.

Seven concrete pads were formed and poured on Block 4, and one concrete pad was formed and poured on Block 5. Brickwork continued along Block 4.

Next week, concrete pads will be formed and poured on Block 4. A granite planter will be installed near the intersection of Eldridge Street and Main Street.

Our schedule is tentative and subject to change due to weather or unforeseen circumstances. As always, we continue to do our best to limit obstruction of parking and impacts to businesses. We appreciate your patience and support. If you have any questions, don't hesitate to contact Andy Patrician, Operations Manager, on site, or me at 589-3140. Thanks. Lisa
