

Main Street Sidewalk Update: May 22, 2015

Good Afternoon,

During the week of May 18th, work continued on the Main Street sidewalk project on Block 5, from East Hollis Street to Eldridge Street on the East side.

Sidewalk from the Citizens Bank entrance to Eldridge Street was removed. Installation of electrical and irrigation conduit continued to Eldridge Street. Six concrete pads were formed and poured. Brick work continued.

Next week, street lights on Block 4, from Eldridge to East Pearl streets, will be removed. Trees will be removed on Block 4 to prepare for curb installation and new plantings. Bollards and stumps will be removed. Two catch basins will be repaired. Brick work will continue.

Our schedule is tentative and subject to change due to weather or unforeseen circumstances. As always, we continue to do our best to limit obstruction of parking and impacts to businesses. We appreciate your patience and support. If you have any questions, don't hesitate to contact Andy Patrician, Operations Manager, on site, or at 589-3140. Have a great holiday weekend.
