ANALYSIS

This legislation would prohibit certain trucks from operating on Chandler Street except as noted with regard to emergency vehicles, school buses or vehicles servicing residents on that street.

Authority for this ordinance is found in NH RSA 47:17 VIII (a), which states that city councils may make ordinances regarding the use of vehicles on particular highways and to exclude vehicles altogether from certain ways. The erection, removal, and maintenance of traffic devices and signals shall conform to applicable state statutes and the latest edition of the Manual on Uniform Traffic Control Devices. NH RSA 47:17 VIII (a). The Board should consult with the Engineering Department to determine if this ordinance is in compliance.
