

Main Street Sidewalk Update: Nov. 21, 2014

Good Afternoon,

During the week of Nov. 17, work progressed on the Main Street sidewalk project on the West side of Main Street.

The City is beginning to wrap up work on the project for this construction season. Electrical work was completed for the construction season. Final paving of the crosswalk at 100 Main Street was completed.

Next week, brick work will continue.

Our schedule is tentative and subject to change due to weather or unforeseen circumstances. As always, we continue to do our best to limit obstruction of parking and impacts to businesses. We appreciate your patience and support. If you have any questions, don't hesitate to contact Andy Patrician, Operations Manager, on site, or at 589-3140. Have a happy and safe Thanksgiving holiday.
