

Main Street Sidewalk Update: Oct. 17, 2014

Good Afternoon,

During the week of Oct. 13, work progressed on the Main Street sidewalk project on Block 4, from East Pearl Street to Santander Bank, and Block 5, from Santander Bank to Persian Rug Galleries on the West side.

Electrical and irrigation conduit was extended to the corner of Main Street and West Hollis Street. One tree well was installed on Block 5. Old brick was removed in preparation for new brickwork and concrete pads to be installed. Installation of brick ribbons in front of Persian Rug Gallery continued.

Next week, a light pole foundation will be installed at the corner of West Hollis Street and Main Street. Concrete pads will be formed and poured in front of Norton's Classic Cafe. Brickwork will continue along Block 5.

Our schedule is tentative and subject to change due to weather or unforeseen circumstances. As always, we continue to do our best to limit obstruction of parking and impacts to businesses. We appreciate your patience and support. If you have any questions, don't hesitate to contact Andy Patrician, Operations Manager, on site, or at 589-3140. Enjoy the weekend.
