RESOLUTION

AUTHORIZING THE MAYOR AND CITY TREASURER TO ISSUE BONDS NOT TO EXCEED THE AMOUNT OF SIX HUNDRED THOUSAND DOLLARS ($600,000) FOR VARIOUS IMPROVEMENTS AT THE SOLID WASTE DEPARTMENT FOUR HILLS LANDFILL

CITY OF NASHUA

In the Year Two Thousand and Eighteen

RESOLVED by the Board of Aldermen of the City of Nashua that the Mayor of the City of Nashua and the City Treasurer of the City of Nashua are hereby authorized to issue and sell general obligation bonds of the City in an aggregate principal not to exceed six hundred thousand dollars ($600,000). The proceeds of said bonds shall be used for the following improvements at the Four Hills Landfill:

</tr>
<tr>
<td>Expansion of the landfill gas system</td>
<td>$350,000</td>

</tbody>
</table>

The amounts indicated above for each project are estimates and the Mayor may allocate more funds to one of such projects, and less to the other, so long as, in the judgment of the Mayor, each of the projects described above can be completed within the total appropriation authorized by this Resolution.

Pursuant to Nashua City Charter §54-a, this resolution requires a “duly advertised public hearing.” Also see N.H. RSA 33:9, which requires a 2/3 vote for passage of this resolution.

The bonds shall be general obligations of the City of Nashua, payable as to principal and interest from ad valorem taxes, which will be levied without limitation as to rate or amount on all taxable property within the territorial limits of the City of Nashua.

The bonds shall bear the manual or facsimile signature of the City Treasurer and the Mayor. In accordance with Chapter 91 of the New Hampshire Acts of 2005, bonds issued pursuant to this resolution shall not require an authenticating certificate of a bank or trust
company doing business in the State of New Hampshire or The Commonwealth of Massachusetts, or the Commissioner of Revenue Administration.

The bonds are to be issued in fully-registered form by means of a book-entry system or otherwise and shall have such terms and conditions and be in such form, subject to the provisions of this resolution and applicable law, as shall be determined by the Mayor and the City Treasurer.

The setback barrier wall project and the expansion of the landfill gas system represents year three of bonding for a multi-year project. Funding for the out-years will be determined at a later date.

RESOLVED FURTHER, that the Mayor is authorized to enter into the required contracts therefor as well as any amendments to be made thereto or any other documentation necessary for the receipt of said funds.
