PURPOSE: Authorizing stop signs on Glen Drive at its intersection with Nottingham Drive

ENDORSER(S): Alderman Linda Harriott-Gathright

**COMMITTEE

ANALYSIS

This legislation authorizes two stop signs on Glen Drive at its intersection with Nottingham Drive. The traffic engineer has stated that an all way stop is recommended at this location for safety as it would help reduce vehicle and pedestrian conflicts, and that there is a school bus stop at this location as well.

The erection, removal and maintenance of all traffic control devices must conform to applicable state statutes and the latest edition of the manual on Uniform Traffic Control Devices. RSA 47:17 VIII (a). The Board should consult with the city's Traffic Engineer to determine if this ordinance is in compliance.
