**ANALYSIS**

This legislation authorizes a stop sign on Lee Street at its intersection with Forest Street. The traffic engineer has stated that this would meet the Manual on Uniform Traffic Control Devices warrants as it is the minor approach to a major street.

The erection, removal and maintenance of all traffic control devices must conform to applicable state statutes and the latest edition of the Manual on Uniform Traffic Control Devices. RSA 47:17 VIII (a). The Board should consult with the city's Traffic Engineer to determine if this ordinance is in compliance.
