

Main Street Sidewalk Update: Nov. 20, 2015

Good Afternoon,

The City is wrapping up work on the project for this construction season. Next week, the new clock will be installed near the Bank of America. Minor detail work and cleanup will continue through the remainder of fall, weather permitting.

Since the most recent update, sealing of concrete pads continued, and lighting fixtures were installed along Block 3, from East Pearl Street to Temple Street. Brickwork and plantings continued.

We thank you for your patience and support throughout the past year, and we look forward to resuming work in the spring. As always, if you have any questions, don't hesitate to contact Andy Patrician, Operations Manager, on site, or at 589-3140.
