In the Year Two Thousand and Three The City of Nashua ordains that Chapter 13 "Motor Vehicles and Traffic", Article V "Parking and Stopping", Division 3 "Parking Meters", Section 13-247 "Parking meter and reserved space fees", of the Nashua Revised Ordinances, as amended, is hereby amended as follows:

1. By adding the following language in underline to subparagraph (b): "(b) The parking fee for metered parking on the street level of the Elm Street and High Street parking garages shall be twenty-five cents (\$0.25) per half hour with the exception of existing handicapped spaces. Pre-paid monthly permitted garage spaces shall be thirty dollars (\$30.00) per month for rooftop spaces or forty-five dollars (\$45.00) per month for street or middle level spaces. City Hall employees shall be provided free parking on the second and third levels of the Elm Street parking garage. The foregoing notwithstanding, the monthly fee for persons aged sixty-two (62) and greater residing within three hundred feet of either the High Street or Elm Street parking garages shall be twenty-five dollars (\$25.00) per month. The director of public works, or a person designated by said director, shall maintain a record and validate the name, address and age of those persons who are eligible as indicated in this section. The daily time limit for which all of these reserved parking spaces are leased shall be from 7:00 a.m. to 5:00 p.m. daily. The reserved parking space regulations shall not apply on Saturdays, Sundays and legal holidays." 2. By adding the following language in underline to subparagraph (c): "(c) The aldermanic infrastructure committee may, upon request by owners or tenants of property or employers of businesses located within reasonable distance of Temple Street, Riverside Park, Library, Water Street, Pearson Avenue, Maple Street, High Street (behind 55 taxi stand), Spring Street and Factory Street municipal parking lots, authorize the issuance of reserved parking permits;

provided, that an ample number of unused spaces are available on a regular basis to accommodate such reserved spaces. The fee for each parking space shall be fifty dollars (\$50.00) per month, payable on a quarterly basis if issued to a business or corporation, and on a monthly basis if issued to an individual. The daily time limit for which these reserved parking spaces are leased shall be from 7:00 a.m. to 5:00 p.m. daily. The reserved parking space regulations shall not apply on Saturdays, Sundays and legal holidays." 3. By adding new subsections (g) and (h) as follows: "(g) Agreements for reserved parking spaces in city-owned parking lots and garages shall be subject to the following conditions: (1) Motor vehicles parked in such spaces must have valid, unexpired registration and inspection. (2) No repair or maintenance shall be performed on motor vehicles parked in such spaces, except for emergency measures necessitated by an unforeseen breakdown and necessary to render a vehicle operable. (h) In addition to revocation of reserved-space parking permits by the aldermanic infrastructure committee, owners and operators of motor vehicles parked in violation of subsection (g) shall be subject to fine under NRO Section 1-9, and such vehicles shall be subject to towing at the owners' expense." This ordinance shall apply to agreements for reserved parking spaces made or renewed after the effective date of the ordinance. All ordinances or parts of ordinances inconsistent herewith are hereby repealed. This ordinance shall become effective at the time of removal or installation of the necessary signs.
