Bill Text: AMENDING THE PORTION OF THE WELFARE GUIDELINES REGARDING RENT PAYMENTS

In the Year Two Thousand and Three The City of Nashua ordains that Chapter 22 "Miscellaneous Guidelines, Policies and Procedures", Article II "General Assistance Guidelines", Section 22-28 "Disbursements", subsection (b)(1) of the Nashua Revised Ordinance be further amended by adding new language in underline as follows: "(1) Rent may only be made payable to the owner of the property unless the department is in receipt of a notarized agent authorization form generated by the department that allows otherwise. No rent payment will be made until a rental verification form generated by the department has been completed. Forms not generated by the department will not be honored. Only property owner or authorized agents as noted above will be recognized as having the authority to complete the rental verification form. To be issued payment, the vendor must be on the city's vendor file and the property must be in compliance with current land use control statutes and ordinances. To be placed on this file, the vendor must supply the city's finance department with a completed current W-9 form and any other documentation required by the city's finance department. All other ordinances or parts of ordinances inconsistent herewith are hereby repealed. This ordinance shall become effective upon passage.
