We are unable to dismiss parking tickets for any of the following reasons:

I was just there for a short time, Lack of legal parking space, Lack of convenient parking space, Time constraints (only a minute late), Lack of funds (no change), No one else got a ticket, Did not see a sign, Parked in same area and never received ticket before, I was parked on-street in front of my residence, Unaware of City of Nashua Parking Regulation, I didn't intend to do it, The fine is too much, or unaware there was a snow emergency issued/lifted.
