

Nashua Arts Commission Grant Evaluation Rubric 2019

Organization Name

Project Name

Amount Requested

Evaluation Directions:

Please rate from 0 (did not address) to 5 (exceptional) how well the applicant's grant application addresses criteria listed below.

Priority	0	1	2	3	4	5	
1. Did the applicant clearly explain the measurable goals and outcomes in their grant proposal?							
2. Does this program respond to a need or interest in the community?							
3. Does this program appear to be well thought out and organized?							
4. Is the program budget complete and realistic?							
5. Is the marketing/publicity plan viable?							
6. How stable is the organization according to the financial information submitted?							
7. Does the organization have the capacity to carry out this proposal?							
8. How effective would this program be in creating new levels of capacity and sustainability for the organization?							
9. Is there evidence of partnerships with other arts, civic and business organizations for this project?							
10. Will this program have a long-term impact on the Nashua Community?							
Total Score for applicant							=

Based on the results of this scoring rubric and the review of the individual narrative, I recommend that this application be considered for:
