## CAMP DIRECTORS

### Nolan Munroe

Bronze Medalist in the X Games

A professional skater that has traveled the world to compete in many contests. He has been in the X-Games 4 times with one of those times bringing home a bronze medal. With all the traveling he has done he has always loved coming back to good ole New Hampshire, it is home. The old Nashua park was the first concrete skate park he went to as a kid. When he was 9, he went to his first contests there, that was held by Eastern Boarder. This was the spark that lit his flame to want to become a professional skater and it took place here in Nashua.

## CAMP EXPECTATIONS

The camp, Nolan Munroe is directing is for kids 7-13 and of all skill levels in Skateboarding. Campers can be new to the sport all the way to an expert level in skateboarding. Nolan will work one on one with improving the campers skills and making them more comfortable in the park and on their board. If the camper is brand new to skating in a skate park, such as the new one here in Nashua, Nolan will go over some unwritten rules and safety tips that will help them in the park and to stay safe while in the park.

It is going to be a lot of fun and Nolan is looking forward to seeing you there to shred the park with him!
