PROGRAM DESCRIPTIONS

Participants can expect to learn about safety, proper shooting form, proper use of equipment, tournament rules, scoring procedures, and sportsmanship. Below are more specific descriptions of each session.

Youth/Teen Archery

This program is for the young adult, or youth, who would like to feel the sensation of pulling a string back and hitting the target. Will be using different fun targets to shoot at as well as learning how to score. Form and safety procedures are integrated into every lesson.

Family Archery

Families that shoot together grow together. Sign up with a family member or go solo. This is a fun class where you will feel the sensation of letting go of stress as you pull the string back and letting go of more than just the string. We will be teaching skill and form through the use of games. Form and safety procedures are integrated into every lesson.

Level Two Archery

Must have taken Archery classes through Nashua Parks & Recreation and/or NE School of Archery to sign up. Due to Bow Restrictions at camp, all equipment is provided.
