CARAMBA SKILLS

Our emphasis is on "THEME" training sessions that will be introduced to the players each day. Topics such as Defending, Attacking, Possession, Positional play, and Re-starts will be the focus of each day in addition to conditioning and skill development. Goalkeeping will be done every day as part of the program. Our philosophy is to promote many touches on the ball through the use of games. Many of our coaches are educators as well as players, and understand the physical and psychological development of the participants we work with. Caramba camps having been working with the City for over 19 years. They have provided a safe and fun learning environment for the game of Soccer.
