

SHOP SMART AND HEALTHY!

Please only buy what your family needs for a week or two. Many families may be unable to buy food and water for weeks in advance. There is no disruption in supply chain, but stores need time to restock.

Prevent the Spread of Germs

Use cleaning wipes on your grocery cart and carry hand sanitizer if you can.

Practice Social Distancing

Try to stay **at least 6 feet** away from other shoppers or employees and avoid physical contact.

6 feet of space

Thank you for doing your part to help prevent the spread of COVID-19.
