

METERED & LEASE PARKING GENERAL INFORMATION

Parking Time Limits:

The purpose of the time limit is to ensure that parking spaces regularly become available for customers of businesses and visitors to the area. When the time limit posted on the meter has been reached, vehicles must leave that parking space. It is illegal to deposit additional coins in the meter after the time limit has been reached. Meters located in 90 Minute and 2 Hour Limit locations are intended for short-term parking. You may return and deposit additional coins to increase your stay at any No Time Limit location.

Meter Trouble:

Report the broken meter by calling [603-589-3331](tel:603-589-3331) and leaving a detailed message, including meter number, date and time, and meter issue. If that is not possible, leave a note on your windshield and notify the Transportation Department as soon as possible.

Monthly Parking Permits:

You may inquire as to the availability of reserved parking spaces at any of the City of Nashua's municipal lots or parking garages by contacting [603-589-3205](tel:603-589-3205) or by emailing parking@nashuanh.gov.

Handicap Parking:

Vehicles bearing a valid disabled parking permit or license plate may park without charge. These vehicles may be subject to time restrictions for the parking meter or time limit location in which they are parked.
